Disney Theme Parks and Resorts Management Internships at the Walt Disney World® Resort offer participants an opportunity to work in a professional setting while adding real-world experience to their résumé from a world-renowned entertainment company. Juniors, Seniors or Graduate Students may use their opportunity to advance theories learned in the classroom and put those theories into practice in an environment that only Disney can provide.

While participating in a Management Internship, students have the opportunity to become a salaried leader in a Fortune 100 Company. While leading Cast Members from around the world and providing world-class service, Management Internships offer the opportunity to cultivate leadership skills, while being an integral part of the operations at the Walt Disney World Resort.

Professional Internship Opportunities for Management

Catering – Our world-class catering chefs and managers create memorable event experiences of any size—from an intimate gathering to a corporate conference. Be a part of the magic and learn from the best in the catering and convention field.

Culinary – With more than 475 food and beverage locations at the Walt Disney World Resort, experienced and award-winning chefs mentor and motivate our culinary teams to deliver a delicious product for our Guests, with great flavor and diversity around the Walt Disney World Resort.

Food & Beverage – Our mission is to “Make Every Guest Feel Special” by creating magical memories and Guest experiences. Our food and beverage managers orchestrate dining experiences around the Walt Disney World Resort, from dining with your favorite Disney Character to elaborate dinner shows throughout our Parks and Resorts.

Lodging – As a leader within the hospitality line of business, Management Interns could have the opportunity to lead resort Cast Members in their day to day role, either in Front Desk or Housekeeping, while learning the inside operations of this competitive and rewarding business.

Recreation – At the Walt Disney World Resort, Disney Recreation Management Interns could learn more about fitness and golf locations, pool and resort lake recreation facilities, the unique experience of water park operations, as well as the business side of running these areas.

Retail – Management Interns in Retail could work at any of our 290 stores located across the Walt Disney World Resort and interact with Cast and Guests from all over the world, helping to create tangible memories our Guests take home.

Theme Park Operations – With four Theme Parks and the Downtown Disney® Area within the Walt Disney World Resort, our leaders in attractions, custodial, transportation and main entrance operations provide quality Guest service while leading a team of Cast Members in their area.
