FUNDING OPPORTUNITY:
FY2020 National Environmental Information Exchange Network Grant Program
FON:
EPA-OMS-20-01
AGENCY:
Environmental Protection Agency (EPA) , Office of Mission Support –Environmental Information
ITEM:
Notice seeking applications to deliver the following activities within The Exchange Network (EN):
Facilitate sharing of environmental data, especially through shared and reusable services; Streamline
data collection and exchanges to improve its timeliness for decision making; Increase the quality and
access to environmental data through discovery, publishing, outbound and analytical services so it is
more useful to environmental managers; Develop foundational EN shared services to reduce burden
and avoid costs for co-regulators and the regulated community; and expand and improve participation
in the EN by strengthening the requisite information management and technology capabilities for
interested parties to fully participate in the EN.
ACTION:
Applications are due March 25, 2020. Approximately $8 million is available for up to 30 assistance
agreements ($400,000 cap) to support projects lasting up to three years.
