HEALTH

FUNDING OPPORTUNITY:
Cooperative Agreement to Support Regulatory Research Related to the 2018 Prescription Drug User Fee Act and the 21st Century Cures Act (U01) Clinical Trials Not Allowed

FON:
RFA-FD-19-026

AGENCY:
Food and Drug Administration (FDA), Department of Health and Human Services (HHS)

ITEM:
Notice seeking applications to provide supporting research that will help FDA enhance its systems model. FDA is currently developing a comprehensive systems model of the opioid's crisis. The model will serve as a tool to help FDA assess and communicate the complex issues underlying the crisis and the potential impacts of possible policy actions. The results of this supporting research will help FDA improve and expand the model and generate new insights that can better inform policy making by FDA and others.

ACTION:
Optional letters of intent are due May 30, 2019. Applications are due July 10, 2019. Approximately $1 million is available for one award.

Family Strengthening Scholars
FON:
HHS-2019-ACF-OPRE-PR-1563

AGENCY:
Administration for Children and Families (ACF), Department of Health and Human Services (HHS), Office of Planning, Research and Evaluation (OPRE)

ITEM:
Notice seeking applications to support dissertation research on healthy marriage/responsible fatherhood policy issues. These grants are meant to build capacity in the research field to focus on questions that have direct implications for healthy marriage/responsible fatherhood policy decision-making and program administration, and to foster mentoring relationships between faculty members and high-quality doctoral students. These grants are intended to address issues of significance to inform policy decisions and solutions, particularly for underserved/understudied populations (e.g., low-income families, minority populations), utilize rigorous research methodology (including primary data collection and/or secondary data analysis), and help inform the development of future intervention research.

ACTION:
Optional letters of intent are due June 10, 2019. Applications are due July 8, 2019. Approximately $75,000 is available for three awards.

FUNDING OPPORTUNITY:
Pragmatic Trials of Managing Multimorbidity in Alzheimer's Disease (R61,R33 Clinical Trial Required)

FON:
RFA-AG-20-029

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute on Aging (NIA)

ITEM:
Notice seeking applications proposing to conduct research involving pragmatic clinical trials into improving the effectiveness of treatment strategies for comorbid conditions that occur frequently in combination with Alzheimer's disease and Alzheimer's disease-related dementias (AD/ADRD). The research will: (1) be designed to address practical comparative questions faced by AD/ADRD patients and clinicians, (2) include broad and diverse populations, and (3) be conducted in real-world settings. These trials are intended to produce results that can be directly adopted by healthcare systems for rapid translation.

ACTION:
Optional letters of intent are due January 3, 2020. Applications are due February 3, 2020. Approximately $2 million is available for two to four awards.

FUNDING OPPORTUNITY:
Single Source of Truth Call for the Joint Multi-Role Technology Demonstrator MSAD Capstone Demonstration

FON:
W911W6-19-R-0013

AGENCY:
Army (Army), Department of Defense (Defense)

ITEM:
Notice seeking proposals for research into developing and implementing a Single Source of Truth (or Authoritative Source of Truth) system for the Army. The goal is to develop a centralized source of information supported by stakeholders from many different areas of expertise, where each data element (e.g. a telephone number) can be stored in a single place and referenced everywhere to ensure data consistency and facilitate change management.

ACTION:
Proposals are due June 24, 2019. Questions are due 14 days prior to the proposal deadline.
