    - Defense Federal Acquisition Regulation Supplement: Contract Financing (DFARS Case 2019-D001); Public Meetings
    - Notice of Meeting of the National Environmental Education Advisory Council

- HEALTH
  - Funding Opportunities
    - Advanced Nursing Education Nurse Practitioner Residency (ANE-NPR) Program
    - Center without Walls for PET Ligand Development for Alzheimer's disease related dementias (ADRDs) (U19 Clinical Trial Optional)
    - Etiologic and Effectiveness Research to Address Polysubstance Impaired Driving
    - Graduate Research Training Initiative for Student Enhancement (G-RISE) (T32)
    - HEAL Initiative: Americas Startups and Small Businesses Build Technologies to Stop the Opioid Epidemic (R41-R42 - Clinical Trial Optional)
    - HEAL Initiative: Americas Startups and Small Businesses Build Technologies to Stop the Opioid Epidemic (R43-R44 - Clinical Trial Optional)
    - HEAL Initiative: Antenatal Opioid Exposure Longitudinal Study Consortium (PL1 Clinical Trials Not Allowed)
    - HEAL Initiative: Back Pain Consortium (BACPAC) Research Program Data Integration, Algorithm Development and Operations Management Center (U24 Clinical Trial Not Allowed)
HEAL Initiative: Back Pain Consortium (BACPAC) Research Program Technology Research Sites (UH2-UH3 Clinical Trial Optional)

HEAL Initiative: Back Pain Consortium (BACPAC) Research Program: Mechanistic Research Centers (U19 Clinical Trial Optional)

HEAL Initiative: Back Pain Consortium (BACPAC) Research Program: Phase 2 Clinical Trials (UG3-UH3 Clinical Trial Required)

HEAL Initiative: Behavioral Research to Improve MAT: Behavioral and Social Interventions to Improve Adherence to Medication Assisted Treatment for Opioid Use Disorders (R61-R33 Clinical Trial Optional)

HEAL Initiative: Biofabricated 3D Tissue Models of Nociception, Opioid Use Disorder and Overdose for Drug Screening (UH2-UH3 Clinical Trial Not Allowed)

HEAL Initiative: Clinical Devices to Treat Pain (UH3 Clinical Trial Optional)

HEAL Initiative: Coordinating Center to Support NIDA Preventing Opioid Use Disorder in Older Adolescents and Young Adults (ages 16-30) Initiative (U24 Clinical Trial Not Allowed)

HEAL Initiative: Early Phase Pain Investigation Clinical Network - Clinical Coordinating Center (U24 Clinical Trial Not Allowed)

HEAL Initiative: Early Phase Pain Investigation Clinical Network - Data Coordinating Center (U24 Clinical Trials Not Allowed)

HEAL Initiative: Early Phase Pain Investigation Clinical Network - Specialized Clinical Centers (U24 Clinical Trial Not Allowed)

HEAL Initiative: Effectiveness Trials to Optimize, Implement, Scale, and Sustain the Collaborative Care Model for Individuals with Opioid Use Disorders and Mental Health Conditions (U01 Clinical Trial Required)

HEAL Initiative: Integrated Approach to Pain and Opioid Use in Hemodialysis Patients: The Hemodialysis Opioid Prescription Effort (HOPE) Consortium - Clinical Centers (U01 Clinical Trial Required)

HEAL Initiative: Integrated Approach to Pain and Opioid Use in Hemodialysis Patients: The Hemodialysis Opioid Prescription Effort (HOPE) Consortium - Scientific and Data Research Center (U01 Clinical Trial Required)

HEAL Initiative: Justice Community Opioid Innovation Network (JCOIN) Clinical Research Centers (UG1 Clinical Trial Optional)

HEAL Initiative: Justice Community Opioid Innovation Network (JCOIN) Coordination and Translation Center (U2C Clinical Trial Optional)

HEAL Initiative: Pain Management Effectiveness Research Network: Clinical Trial Planning and Implementation Cooperative Agreement (UG3-UH3 Clinical Trial Required)

HEAL Initiative: Pragmatic and Implementation Studies for the Management of Pain to Reduce Opioid Prescribing (PRISM) (UG3-UH3, Clinical Trials Optional)

HEAL Initiative: Pragmatic Randomized Controlled Trial of Acupuncture for Management of Chronic Low Back Pain in Older Adults (UG3-UH3 Clinical Trial Required)

HEAL Initiative: Preventing Opioid Use Disorder in Older Adolescents and Young Adults (ages 16-30) (UG3 and UH3 Clinical Trial Required)

HEAL Initiative: Sleep and Circadian-Dependent Mechanisms Contributing to Opiate Use Disorder (OUD) and Response to Medication Assisted Treatment (MAT) (R01 - Clinical Trial Not Allowed)

HEAL Initiative: Sleep and Circadian-Dependent Mechanisms Contributing to Opiate Use Disorder (OUD) and Response to Medication Assisted Treatment (MAT) (U01 Clinical Trial Optional)

HEAL Initiative: Stimulating Peripheral Activity to Relieve Conditions (SPARC): Anatomical and Functional Mapping of Pain-Related Visceral Organ Neural Circuitry (U01 Clinical Trial Required)
Optional)
- HEAL Initiative: Tissue Chips to Model Nociception, Addiction, and Overdose (UG3-UH3 Clinical Trial Not Allowed)
- HEAL Initiative: Translational Development of Devices to Treat Pain (U18 Clinical Trial Not Allowed)
- HEAL Initiative: Translational Devices to Treat Pain (UG3-UH3 Clinical Trial Optional)
- NIDCR Mentoring Network to Support a Diverse Dental, Oral and Craniofacial Research Workforce (UE5 Clinical Trials Not Allowed)
- Occupational Safety and Health Surveillance Collaboration, Education and Translation
- Physical Sciences-Oncology Network (PS-ON): Physical Sciences-Oncology Projects (PS-OP) (U01 Clinical Trial Optional)
- Research Grants for Preventing Violence and Violence Related Injury (R01)
- Small Molecule Antibiotic Drug Development for Combating Antibiotic Resistant Bacteria (CARB)
- Switzer Research Fellowships Program
- U3D Maternal and Child Health Measurement Research Network (MRN)

Meetings
- The Tobacco Products Scientific Advisory Committee; Notice of Meeting

 Notices
- Nominations to the Advisory Committee on Blood and Tissue Safety and Availability

**SCIENCE / TECHNOLOGY / ENGINEERING / MATH**

Funding Opportunities
- Mid-scale Research Infrastructure-2
- Panacea
- ROSES 2018: Astrodynamics in Support of Icy Worlds Missions

Meetings
- Board of Scientific Counselors (BOSC) Air and Energy Subcommittee Meeting
- Board of Scientific Counselors (BOSC) Chemical Safety for Sustainability Subcommittee Meeting
- Good Neighbor Environmental Board; Notification of Public Advisory Committee Teleconference

**ARTS / HUMANITIES / INTERNATIONAL**

FUNDING OPPORTUNITY:
Eastern Caribbean Organized Crime Investigation Program

FON:
INL19CA0007-WHPBARBADOS-ORGCRIME-121218

AGENCY:
Bureau of International Narcotics and Law Enforcement Affairs (INL), Department of State (State)

ITEM:
Notice seeking proposals to deter drug trafficking and related transnational crime through the Eastern Caribbean and reduce the associated threats to citizen security in the Caribbean and the United States.

ACTION:
Questions are due January 14, 2019. Applications are due February 12, 2019. Approximately $850,000 is available to support one award. Cost sharing is recommended.
LINKS:

CONTACT:
Cheryl Price, Email: PriceCH@state.gov (mailto:PriceCH@state.gov)

FUNDING OPPORTUNITY:
NEA Art Works 1, FY2020

FON:
2019NEA01AW1

AGENCY:
National Endowment for the Arts (NEA)

ITEM:
Notice seeking applications for projects that support public engagement with, and access to, various forms of excellent art across the nation, the creation of art that meets the highest standards of excellence, learning in the arts at all stages of life, and the integration of the arts into the fabric of community life. Projects may be large or small, existing or new. Applications for artistically excellent projects that address any of the following activities are encouraged: Honor the 2020 centennial of women's voting rights in the United States; Engage with Historically Black Colleges and Universities, Hispanic or Latino organizations, or the Native American, Alaskan Native, and Native Hawaiian arts; Celebrate America's creativity and cultural heritage; Invite a dialogue that fosters a mutual respect for the diverse beliefs and values of all persons and groups; or Enrich our humanity by broadening our understanding of ourselves as individuals and as a society.

ACTION:
Applications are due February 14, 2019. Multiple awards are anticipated, with a per-award range of $10,000 to $100,000. One-to-one cost sharing is required.

Limited Submission:
Each organization may only submit to either Challenge America or Art Works, not both.

LINKS:

CONTACT:
NEA Web Manager, Email: webmgr@arts.gov (mailto:webmgr@arts.gov)

FUNDING OPPORTUNITY:
NEA Challenge America, FY2020

FON:
2019NEA01CA

AGENCY:
National Endowment for the Arts (NEA)
ITEM:
Notice seeking applications from small and mid-sized organizations for projects that extend the reach of the arts to underserved populations. This category supports focused, distinct projects that take place over limited periods of time and involve limited geographic areas, and can include Guest Artists; Collaborative Marketing Campaigns; or Public Art Projects.

ACTION:
Applications are due April 11, 2019. Multiple awards of $10,000 are anticipated. One-to-one cost sharing is required.

Limited Submission:
Each organization may only submit to either Challenge America or Art Works, not both.

LINKS:

CONTACT:
NEA Web Manager, Email: webmgr@arts.gov

FUNDING OPPORTUNITY:
Public Scholar Program

FON:
20190206-FZ

AGENCY:
National Endowment for the Humanities (NEH), Division of Research Programs

ITEM:
Notice seeking applications to support the creation of well-researched books in the humanities intended to reach a broad readership. Some humanities scholarship is necessarily specialized, but the humanities can also engage broad audiences in exploring subjects of general interest.

ACTION:
Applications are due February 6, 2019. The maximum award is $5,000 per month for up to 12 months.

LINKS:

CONTACT:
Division of Research Programs Team, 202-606-8200. Email: publicscholar@neh.gov

MEETING:
Arts Advisory Panel Meetings

AGENCY:
National Endowment for the Arts (NEA)
ITEM:
Notice announcing several meetings of the Arts Advisory Panel to the National Council on the Arts. While most of the meetings will be closed to the public, those pertaining to the review of applications for state and regional partnership agreements will be open to the public, with videoconference options available.

ACTION:
State partnership agreement meetings will be held on January 15, January 16, and January 17, 2019 from 3:00 p.m. to 5:30 p.m. ET. The regional partnership meeting will be held on January 30, 2019 from 3:00 p.m. to 4:00 p.m. ET.

LINKS:

CONTACT:
Sherry Hale, 202-682-5696. Email: hales@arts.gov

EDUCATION / ECONOMIC AND COMMUNITY DEVELOPMENT

FUNDING OPPORTUNITY:
2020 Fisheries Resource Monitoring Program

FON:
F19AS00069

AGENCY:
Fish and Wildlife Service (FWS), Department of the Interior (Interior)

ITEM:
Notice seeking applications to continue to be projects whose purpose is the collection, dissemination, and application of information used in the management of Federal subsistence fisheries in Alaska.

ACTION:
Applications are due March 15, 2019. Approximately $1.5 million is available.

LINKS:

CONTACT:
Pippa Kenner, 907-786-3883.

FUNDING OPPORTUNITY:
Building Capacity to Legal and Evidence Based Pretrial Decisions at the State and Local Level

FON:
19CS006

AGENCY:
Department of Justice (Justice), National Institute of Corrections (NIC)

ITEM:
Notice seeking applications to work closely with NIC's project manager to plan, coordinate and deliver all aspects of NIC's Pretrial Justice training to pretrial practitioners and decision-makers throughout the
United States.

ACTION:
Applications are due February 11, 2019. Approximately $90,000 is available to support one award for a 12-month project period.

LINKS:

CONTACT:
Lori Eville, Email: leville@bop.gov

FUNDING OPPORTUNITY:
OVW FY 2019 Sexual Assault Services Culturally Specific Program

FON:
OVW-2019-15703

AGENCY:
Office on Violence Against Women (OVW), Department of Justice (Justice)

ITEM:
Notice seeking applications to establish, maintain, and expand sustainable, culturally appropriate services that address the unique needs and challenges of victims of sexual assault from culturally specific communities.

ACTION:
Letters of intent are strongly encouraged by January 30, 2019. Applications are due February 13, 2019. Private nonprofit organizations are eligible.

LINKS:

OVW, 202-307-6026. Email: OVW.SASP.Cultural@usdoj.gov

MEETING:
Defense Federal Acquisition Regulation Supplement: Contract Financing (DFARS Case 2019-D001); Public Meetings

AGENCY:
Department of Defense (Defense)

ITEM:
Notice announcing three meetings to obtain views of experts and interested parties in Government and the private sector regarding revising policies and procedures for contract financing, performance incentives, and associated regulations for DoD contracts.

ACTION:
The meetings will be held January 10, 2019 from 9:00 a.m. to 12:00 p.m.; January 22, 2019 from 1:30 p.m. to 4:30 p.m.; and February 19, 2019 from 1:00 p.m. to 4:00 p.m. (all times Eastern). The meetings
will be held in the Mark Center Auditorium, 4800 Mark Center Drive, Alexandria, VA.

LINKS:

CONTACT:
Amy Williams, 571-371-6106.

MEETING:
Notice of Meeting of the National Environmental Education Advisory Council

AGENCY:
Environmental Protection Agency (EPA)

ITEM:
Notice announcing a teleconference meeting of the National Environmental Education Advisory Council (NEEAC). The purpose of this meeting is to discuss specific topics of relevance for consideration by the council to provide advice and insights to the Agency on environmental education.

ACTION:
The meeting will be held on Wednesday, January 23, 2019 and Thursday January 24, 2019. from 9 a.m. until 4:30 p.m. CST. at: U.S. EPA Region 7, 11201 Renner Boulevard, Lenexa, KS 66209 (Lakeview Conference Room), 2.B-C.32.

LINKS:

CONTACT:
Javier Araujo, Email: araujo.javier@epa.gov (mailto:araujo.javier@epa.gov)

NOTICE:
National Advisory Committee on Institutional Quality and Integrity (NACIQI)

AGENCY:
Department of Education (Education)

ITEM:
Notice requesting nominations for the National Advisory Committee on Institutional Quality and Integrity. The committee is tasked with: The establishment and enforcement of the standards of accrediting agencies or associations under subpart 2 of part H of Title IV, HEA; The recognition of specific accrediting agencies or associations; The preparation and publication of the list of nationally recognized accrediting agencies and associations; The eligibility and certification process for institutions of higher education under Title IV of the HEA, together with recommendations for improvements in such process; The relationship between (1) accreditation of institutions of higher education and the certification and eligibility of such institutions, and (2) State licensing responsibilities with respect to such institutions; and Any other advisory functions relating to accreditation and institutional eligibility that the Secretary may prescribe by regulation.

ACTION:
Nominations must be received by January 11, 2019.

US Department of Education Committee Management Office, 202-401-3677. Email: cmtemgmtoffice@ed.gov

HEALTH

FUNDING OPPORTUNITY:
Advanced Nursing Education Nurse Practitioner Residency (ANE-NPR) Program

FON:
HRSA-19-001

AGENCY:
Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS)

ITEM:
Notice seeking applications to prepare new nurse practitioners in primary care for practice in community-based settings through clinical and academic focused 12-month Nurse Practitioner Residency programs, with a preference for those projects that benefit rural or underserved populations.

ACTION:
Applications are due March 4, 2019. Approximately $20 million is available to fund an estimated 20 awards.

LINKS:

CONTACT:
Debbie Parchen, 301-443-2597. Email: dparchen@hrsa.gov

FUNDING OPPORTUNITY:
Center without Walls for PET Ligand Development for Alzheimer’s disease related dementias (ADRDs) (U19 Clinical Trial Optional)

FON:
RFA-NS-19-014

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:
Notice seeking proposals to develop PET radioligands that identify proteinopathies or pathological processes associated with the human biology of Alzheimer’s disease related dementias (ADRDs). Activities supported include, but are not limited to the in vitro screening of existing ligands against
human ADRD brain tissue, medicinal chemistry support for development of new compounds and
improvement of existing ligand specificity and selectivity, initial screening of ligands in appropriate
animal models, and radioligand formulation and first-in-human testing.

ACTION:
Optional letters of intent are due 30 days before the application. Application are due February 13,
2019. Approximately $3.6 million is available to fund one to two awards in the first year.

LINKS:

CONTACT:
Margaret Sutherland, 301-496-5680. Email: sutherlandm@ninds.nih.gov
(mailto:sutherlandm@ninds.nih.gov)

FUNDING OPPORTUNITY:
Etiologic and Effectiveness Research to Address Polysubstance Impaired Driving
FON:
RFA-CE-19-004

AGENCY:
Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS)

ITEM:
Notice seeking applications to support etiologic and effectiveness research on driving while
polysubstance impaired. Specifically, research is solicited to identify risk and protective factors
associated with polysubstance impaired driving and its associated deaths and injuries, or to identify
effective interventions to prevent polysubstance impaired driving and its associated deaths and
injuries.

ACTION:
Letters of intent are due January 25, 2019. Applications are due March 15, 2019. Approximately $1.4
million is available to support four awards.

LINKS:

CONTACT:
Daniel Holcomb, 770-488-1556. Email: DHolcomb@cdc.gov (mailto:DHolcomb@cdc.gov)

FUNDING OPPORTUNITY:
Graduate Research Training Initiative for Student Enhancement (G-RISE) (T32)

FON:
PAR-19-102

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National
Institute of General Medical Sciences (NIGMS)
ITEM:
Notice seeking applications to develop a diverse pool of scientists earning a Ph.D., who have the skills to successfully transition into careers in the biomedical research workforce. This funding opportunity announcement (FOA) provides support to eligible, domestic institutions to develop and implement effective, evidence-based approaches to biomedical training and mentoring that will keep pace with the rapid evolution of the research enterprise.

ACTION:
Applications are due May 21, 2019; May 21, 2020; and May 21, 2021.

Limited Submission:
Only one application per institution is allowed

LINKS:

CONTACT:
Luis Cubano, 301-594-3900. Email: luis.cubano@nih.gov

FUNDING OPPORTUNITY:
HEAL Initiative: Americas Startups and Small Businesses Build Technologies to Stop the Opioid Epidemic (R41-R42 - Clinical Trial Optional)

FON:
RFA-DA-19-020

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute on Drug Abuse (NIDA); National Center for Advancing Translational Sciences (NCATS)

ITEM:
Notice seeking applications to develop technologies to provide science- and research-based solutions to the national opioid emergency and offer new hope for individuals, families, and communities affected by this devastating crisis.

ACTION:
Optional letters of intent are due 30 days prior to the application due date. Applications are due January 8, 2019, April 9, 2019, September 8, 2019, April 9, 2020, September 8, 2020, April 9, 2021, and September 8, 2021.

LINKS:

CONTACT:
Elena Koustova, 301-496-8768. Email: NIDASBIR@mail.nih.gov

FUNDING OPPORTUNITY:
HEAL Initiative: Americas Startups and Small Businesses Build Technologies to Stop the Opioid Epidemic (R43-R44 - Clinical Trial Optional)
FON: RFA-DA-19-019

AGENCY: National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute on Drug Abuse (NIDA); National Center for Advancing Translational Sciences (NCATS)

ITEM: Notice seeking applications to develop technologies to provide science- and research-based solutions to the national opioid emergency and offer new hope for individuals, families, and communities affected by this devastating crisis.

ACTION: Optional letters of intent are due 30 days prior to application due date. Applications are due January 8, 2019, April 9, 2019, September 8, 2019, April 9, 2020, September 8, 2020, April 9, 2021, and September 8, 2021. Approximately $7 million is available to support 10 to 30 awards.

CONTACT: Elena Koustova, 301-496-8768. Email: NIDASBIR@mail.nih.gov (mailto:NIDASBIR@mail.nih.gov)

FUNDING OPPORTUNITY:
HEAL Initiative: Antenatal Opioid Exposure Longitudinal Study Consortium (PL1 Clinical Trials Not Allowed)

FON: RFA-HD-19-025

AGENCY: National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute of Child Health and Human Development (NICHD)

ITEM: Notice seeking applications from consortia composed of a Data Coordinating Center and 2 or more Clinical Sites to conduct a multi-center prospective cohort study of infants exposed to opioids in utero compared to unexposed infants.

ACTION: Requested letters of intent are due 30 days prior to the application due date. Applications are due March 29, 2019.

CONTACT: Rosemary Higgins, 301-435-7909. Email: higginsr@mail.nih.gov (mailto:higginsr@mail.nih.gov)
FUNDING OPPORTUNITY:
HEAL Initiative: Back Pain Consortium (BACPAC) Research Program Data Integration, Algorithm Development and Operations Management Center (U24 Clinical Trial Not Allowed)

FON:
RFA-AR-19-027

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:
Notice seeking applications that will focus on translational and clinical research for discovery of chronic low back pain (cLBP) mechanisms, and on identification and testing of new interventions targeted to individual patient.

ACTION:
Optional letters of intent are due February 20, 2019. Applications are due March 20, 2019. Approximately $6 million is available to support one to two awards.

Limited Submission:
Only one application per institution is allowed

LINKS:

CONTACT:
Contacts vary by institute.

FUNDING OPPORTUNITY:
HEAL Initiative: Back Pain Consortium (BACPAC) Research Program Technology Research Sites (UH2-UH3 Clinical Trial Optional)

FON:
RFA-AR-19-028

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:
Notice seeking applications that will develop, test and deploy novel analytic tools, technologies and/or methods (TTM) that will improve our understanding of mechanisms of chronic low back pain (cLBP).

ACTION:
Optional letters of intent are due February 20, 2019. Applications are due March 20, 2019. Approximately $2.6 million is available to support four to six awards.

LINKS:

CONTACT:
Contacts vary by institute.
FUNDING OPPORTUNITY:
HEAL Initiative: Back Pain Consortium (BACPAC) Research Program: Mechanistic Research Centers (U19 Clinical Trial Optional)

FON:
RFA-AR-19-026

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:
Notice seeking applications to plan and implement Interdisciplinary Mechanistic Research Centers (MRC) in Low Back Pain (LBP) with the NIH Back Pain Consortium (BACPAC) Research Program. The MRCs will conduct translational and clinical research projects addressing critical gaps and opportunities in LBP with advanced analytics and approaches to improve understanding of disease and identify new targets for intervention. The MRCs will generate data for deep patient phenotyping and for the development of patient-based algorithms.

ACTION:
Optional letters of intent are due 30 days prior to the application due date. Applications are due March 20, 2019. Approximately $15.1 million is available to support three to five awards.

LINKS:

CONTACT:
Contacts vary by institute.

FUNDING OPPORTUNITY:
HEAL Initiative: Back Pain Consortium (BACPAC) Research Program: Phase 2 Clinical Trials (UG3-UH3 Clinical Trial Required)

FON:
RFA-AR-19-029

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:
Notice seeking applications to plan and implement Phase 2 clinical trials (Phase 2CT) in chronic Low Back Pain (cLBP) with the NIH Back Pain Consortium (BACPAC) Research Program. BACPAC Phase 2 clinical trials (Phase 2CT) will evaluate interventions including medications, biologics, procedures, medical and assistive devices and technologies, diagnostic testing, behavioral change, rehabilitation strategies, complementary therapies for cLBP.

ACTION:
Optional letters of intent are due January 26, 2019. Applications are due February 26, 2019. Approximately $1.3 million is available to support up to eight awards in Phase I. Five UH3 awards are anticipated.
FUNDING OPPORTUNITY:
HEAL Initiative: Behavioral Research to Improve MAT: Behavioral and Social Interventions to Improve Adherence to Medication Assisted Treatment for Opioid Use Disorders (R61-R33 Clinical Trial Optional)

FON:
RFA-AT-19-006

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:
Notice seeking applications to examine the impact of behavioral and social interventions designed to improve adherence to Medication Assisted Treatment (MAT) for persons with Opioid Use Disorders (OUD).

ACTION:
Optional letters of intent are due January 8, 2019. Applications are due February 8, 2019. Approximately $3.6 million is available to support six to eight awards.

LINKS:

CONTACT:
Contacts vary by institute.

FUNDING OPPORTUNITY:
HEAL Initiative: Biofabricated 3D Tissue Models of Nociception, Opioid Use Disorder and Overdose for Drug Screening (UH2-UH3 Clinical Trial Not Allowed)

FON:
RFA-TR-19-005

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Center for Advancing Translational Sciences (NCATS); National Institute of Neurological Disorders and Stroke (NINDS)

ITEM:
Notice seeking applications to support intramural-extramural collaborations to develop and implement the use of 3D biofabricated tissue models as novel drug screening platforms and advance pre-clinical discovery and development of non-addictive treatments for nociception, opioid use disorder (OUD) and/or overdose.

ACTION:
Optional letters of intent are due January 28, 2019. Applications are due February 28, 2019. Approximately $1.5 million is available to support two to three awards.

LINKS:

CONTACT:
Carol Lambert, 301-435-0814. Email: lambert@mail.nih.gov (mailto:lambert@mail.nih.gov)

FUNDING OPPORTUNITY:
HEAL Initiative: Clinical Devices to Treat Pain (UH3 Clinical Trial Optional)
FON: RFA-NS-19-018
AGENCY: National Institutes of Health (NIH), Department of Health and Human Services (HHS)
ITEM: Notice seeking applications to encourage investigators to pursue a small clinical trial to obtain critical information necessary to advance recording and/or stimulating devices to treat pain with innovative, targeted, and non-addictive diagnostic and/or therapeutic devices that improve patient outcomes and decrease or eliminate the need to prescribe opioids.
ACTION: Optional letters of intent are due 30 days prior to receipt date. Applications are due January 9, 2019, March 22, 2019, June 21, 2019, October 21, 2019, February 21, 2020, June 22, 2020, October 21, 2020, and February 21, 2021. Approximately $3 million is available to support three to four awards.
CONTACT: Nick Langhals, 301-496-1447. Email: nick.langhals@nih.gov (mailto:nick.langhals@nih.gov)

FUNDING OPPORTUNITY:
HEAL Initiative: Coordinating Center to Support NIDA Preventing Opioid Use Disorder in Older Adolescents and Young Adults (ages 16-30) Initiative (U24 Clinical Trial Not Allowed)
FON: RFA-DA-19-034
AGENCY: National Institutes of Health (NIH), Department of Health and Human Services (HHS)
ITEM: Notice seeking applications that will consist of research grants and a Coordinating Center, focused on establishing the evidence base for interventions and strategies to prevent initiation of opioid misuse and development of Opioid Use Disorder (OUD) in at-risk older adolescents and young adults.
ACTION:
Optional letters of intent are due 30 days prior to the application due date. Applications are due March 13, 2019. Approximately $2 million is available to support one award. Cost sharing is required.

LINKS:

CONTACT:
Contacts vary by institute.

FUNDING OPPORTUNITY:
HEAL Initiative: Early Phase Pain Investigation Clinical Network - Clinical Coordinating Center (U24 Clinical Trial Not Allowed)

FON:
RFA-NS-19-023

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:
Notice seeking applications for the Clinical Coordinating Center (CCC) of the Early Phase Pain Investigation Clinical Network (EPPIC-Net). EPPIC-Net will provide a robust and readily accessible infrastructure for carrying out in-depth phenotyping and biomarker studies in patients with specific pain conditions, and the rapid design and performance of high-quality Phase 2 clinical trials to test promising novel therapeutics for pain from partners in academia or industry. The CCC will both help design and facilitate the implementation of clinical trials and studies.

ACTION:
Optional letters of intent are due 30 days prior to the application due date. Applications are due February 6, 2019. Approximately $2.5 million is available to support one award in FY 2019.

Limited Submission:
Only one application per institution

LINKS:

CONTACT:
Jeremy Brown, 301-827-8375. Email: jeremy.brown@nih.gov (mailto:jeremy.brown@nih.gov)

FUNDING OPPORTUNITY:
HEAL Initiative: Early Phase Pain Investigation Clinical Network - Data Coordinating Center (U24 Clinical Trials Not Allowed)

FON:
RFA-NS-19-024

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)
ITEM:
Notice seeking applications for the Data Coordinating Center (DCC) of the Early Phase Pain Investigation Clinical Network (EPPIC-Net). As the main data manager for pain research in the HEAL Initiative, the EPPIC-Net DCC will host and manage clinical, neuroimaging, biomarker, omics, and preclinical data from EPPIC-Net and other components of the HEAL Initiative’s pain research program.

ACTION:
Optional letters of intent are due 30 days prior to the application due date. Applications are due February 6, 2019. Direct costs should not exceed $5,400,000 in year 1, and $3,850,000 in years 2-5.

Limited Submission:
Only one application per institution

FUNDING OPPORTUNITY:
HEAL Initiative: Early Phase Pain Investigation Clinical Network - Specialized Clinical Centers (U24 Clinical Trial Not Allowed)

FON:
RFA-NS-19-025

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:
Notice seeking applications for the Specialized Clinical Centers (“hubs”) of the Early Phase Pain Investigation Clinical Network (EPPIC-Net). EPPIC-Net will serve as the cornerstone of the NIH’s Helping to End Addiction Long-term (HEAL) Initiative.

ACTION:
Optional letters of intent are due 30 days prior to the application due date. Applications are due February 6, 2019. Approximately $2.8 million is available to support 10 awards.

Limited Submission:
Only one application per institution is allowed.

FUNDING OPPORTUNITY:
HEAL Initiative: Effectiveness Trials to Optimize, Implement, Scale, and Sustain the Collaborative Care Model for Individuals with Opioid Use Disorders and Mental Health Conditions (U01 Clinical Trial
Required
FON:
RFA-MH-19-525

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:
Notice seeking applications to propose research to adapt the Collaborative Care Model (referred to henceforth as collaborative care) – a specific service delivery model for treating mental/behavioral health conditions in primary care settings – to meet the needs of individuals with opioid use disorders (OUDs) and co-occurring mental health conditions.

ACTION:
Optional letters of intent are due March 1, 2019. Applications are due April 1, 2019. Approximately $10 million is available to support three to four awards per year.

LINKS:

CONTACT:
Contacts vary by institute.

FUNDING OPPORTUNITY:
HEAL Initiative: Integrated Approach to Pain and Opioid Use in Hemodialysis Patients: The Hemodialysis Opioid Prescription Effort (HOPE) Consortium - Clinical Centers (U01 Clinical Trial Required)

FON:
RFA-DK-18-030

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK); National Institute on Aging (NIA)

ITEM:
Notice seeking applications to develop an intervention to simultaneously address the problem of pain and opioid use in US HD populations by a) initiating multipronged pain treatment tailored individually to each patient, without opioids, and b) using buprenorphine and other novel agents to reduce dependence on opioids in affected patients.

ACTION:
Optional letters of intent are due February 27, 2019. Applications are due March 27, 2019. Approximately $4.6 million is available to support seven awards.

FUNDING OPPORTUNITY:
HEAL Initiative: Justice Community Opioid Innovation Network (JCOIN) Clinical Research Centers (UG1 Clinical Trial Optional)

FON:
RFA-DA-19-025

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute on Drug Abuse (NIDA); National Institute on Alcohol Abuse and Alcoholism (NIAAA)

ITEM:
Notice seeking applications to establish the Justice Community Opioid Innovation Network (JCOIN) using the cooperative agreement mechanism. The purpose of the network is to establish a national consortium of investigators examining promising interventions and other approaches that can improve the capacity of the justice system to effectively respond to the opioid epidemic.

ACTION:
Optional letters of intent are due 30 days prior to the application due date. Applications are due February 27, 2019. Approximately $23.5 million is available to support 8 to 12 awards.

HEAL Initiative: Justice Community Opioid Innovation Network (JCOIN) Coordination and Translation Center (U2C Clinical Trial Optional)

FON:
RFA-DA-19-024

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute on Drug Abuse (NIDA); National Institute on Alcohol Abuse and Alcoholism (NIAAA)

ITEM:
Notice seeking applications to establish a national consortium of investigators examining promising interventions and other approaches that can improve the capacity of the justice system to effectively respond to the opioid epidemic. This FOA solicits applications for a Coordination and Translation Center.

ACTION:
Optional letters of intent are due 30 days prior to the application due date. Applications are due February 27, 2019. Approximately $3.5 million is available to support one award.

Tisha Wiley, 301-594-4381. Email: jcoin@mail.nih.gov (mailto:jcoin@mail.nih.gov)

FUNDING OPPORTUNITY:
HEAL Initiative: Pain Management Effectiveness Research Network: Clinical Trial Planning and Implementation Cooperative Agreement (UG3-UH3 Clinical Trial Required)

FON:
RFA-NS-19-021

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:
Notice seeking applications that propose clinical trials to test the comparative effectiveness of existing therapies or effectiveness of existing or novel approaches for prevention and management of pain while reducing risk of addiction.

ACTION:
Optional letters of intent are due 30 days prior to the application due date. Applications are due February 1, 2019. Approximately $4 million is available to support five awards in FY 2019.

FUNDING OPPORTUNITY:
HEAL Initiative: Pragmatic and Implementation Studies for the Management of Pain to Reduce Opioid Prescribing (PRISM) (UG3-UH3, Clinical Trials Optional)

FON:
RFA-AT-19-004

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:
Notice seeking applications to conduct efficient, large-scale pragmatic or implementation trials to improve pain management and reduce the unnecessary use of opioid medications. Awards made under this FOA will initially support a one-year milestone-driven planning phase (UG3), with possible transition to an implementation phase (UH3) of up to 4 years duration (5 years total for the two phases).

ACTION:
Optional letters of intent are due 30 days prior to the application due date. Applications are due February 8, 2019. Approximately $4.5 million is available to support six to seven awards in FY 2019.

LINKS:

FUNDING OPPORTUNITY:
HEAL Initiative: Pragmatic Randomized Controlled Trial of Acupuncture for Management of Chronic Low Back Pain in Older Adults (UG3-UH3 Clinical Trial Required)

FON:
RFA-AT-19-005

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:
Notice seeking applications to conduct an efficient, large-scale pragmatic trial to evaluate the impact of, and strategies to best implement, acupuncture treatment of older adults (65 years and older) with chronic low back pain. This FOA requires that the intervention under study be embedded into health care delivery system, “real world” settings.

ACTION:
Optional letters of intent are due 30 days prior to the application due date. Applications are due March 15, 2019. Approximately $1.25 million is available to support one to two awards.

LINKS:

CONTACT:
Contacts vary by institute.

FUNDING OPPORTUNITY:
HEAL Initiative: Preventing Opioid Use Disorder in Older Adolescents and Young Adults (ages 16-30) (UG3 and UH3 Clinical Trial Required)

FON:
RFA-DA-19-035

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:
Notice seeking applications to consist of research grants and a coordinating center, focused on establishing the evidence base for interventions and strategies to prevent initiation of opioid misuse and development of Opioid Use Disorder (OUD) in at-risk older adolescents and young adults.

ACTION:
Optional letters of intent are due 30 days prior to the application due date. Applications are due March 13, 2019. Approximately $10 million is available to support 8 to 10 awards.

LINKS:

CONTACT:
Contacts vary by institute.

FUNDING OPPORTUNITY:
HEAL Initiative: Sleep and Circadian-Dependent Mechanisms Contributing to Opiate Use Disorder (OUD) and Response to Medication Assisted Treatment (MAT) (R01 - Clinical Trial Not Allowed)

FON:
RFA-HL-19-028

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Heart, Lung, and Blood Institute (NHLBI); National Institute on Drug Abuse (NIDA)

ITEM:
Notice seeking applications that propose to elucidate basic sleep and circadian mechanisms closely-coupled to the risk of opiate use disorder (OUD), the pathobiology of opiate withdrawal, and that
influence the response to medication-assisted treatment (MAT). Studies are needed to apply advances in understanding sleep and circadian biology to improving our understanding of OUD, the directionality of sleep and OUD interactions, and the opportunities to improve therapy and outcome.

**ACTION:**
Optional letters of intent are due January 27, 2019. Applications are due February 27, 2019. Approximately $2.7 million is available to support five awards in FY 2019 through FY 2021.

**FUNDING OPPORTUNITY:**
HEAL Initiative: Sleep and Circadian-Dependent Mechanisms Contributing to Opiate Use Disorder (OUD) and Response to Medication Assisted Treatment (MAT) (U01 Clinical Trial Optional)

**FON:**
RFA-HL-19-029

**AGENCY:**
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

**ITEM:**
Notice seeking applications for human subjects research to elucidate sleep/circadian mechanisms closely-coupled to the risk of opiate use disorder (OUD), the pathobiology of opiate withdrawal, and the response to medication-assisted treatment (MAT). Identifying sleep/circadian mechanisms and determining the directionality of sleep and OUD interactions addresses a knowledge gap and new opportunities for improved therapy and outcome.

**ACTION:**
Optional letters of intent are due January 27, 2019. Applications are due February 27, 2019. Approximately $4 million per year is available to support three awards for FY 2019 through FY 2022.

**LINKS:**

**FUNDING OPPORTUNITY:**
HEAL Initiative: Stimulating Peripheral Activity to Relieve Conditions (SPARC): Anatomical and Functional Mapping of Pain-Related Visceral Organ Neural Circuitry (U01 Clinical Trial Optional)

**FON:**
RFA-RM-19-001

AGENCY:  
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute of Neurological Disorders and Stroke (NINDS)

ITEM:  
Notice seeking applications proposing to map neural circuitry mediating visceral organ pain. This FOA is part of the Stimulating Peripheral Activity to Relieve Conditions (SPARC) Common Fund program and is coordinated with the Translational Devices to Treat Pain (TDTP) initiatives of the NIH HEAL program.

ACTION:  
Optional letters of intent are due 30 days prior to the application due date. Applications are due February 8, 2019. Approximately $5 million per year is available to support 8 to 10 awards.

LINKS:

FUNDING OPPORTUNITY:  
HEAL Initiative: Tissue Chips to Model Nociception, Addiction, and Overdose (UG3-UH3 Clinical Trial Not Allowed)

FON:  
RFA-TR-19-003

AGENCY:  
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:  
Notice seeking applications to create and test devices that can model the mechanisms or effects of nociception/pain-relevant signaling, addiction, or opioid use disorders (OUDs), using human tissues in vitro microphysiological systems (MPS). Tissue chips, or microphysiological systems, are useful and promising in vitro human-based screening platforms because they closely mimic in vivo human physiology.

ACTION:  
Optional letters of intent are due January 28, 2019. Applications are due February 28, 2019. Approximately $5 million is available to support four to six awards. Cost sharing is required.

FUNDING OPPORTUNITY:  
HEAL Initiative: Translational Development of Devices to Treat Pain (U18 Clinical Trial Not Allowed)
FON:
RFA-EB-18-003

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:
Notice seeking applications to support preclinical development and demonstration of safe, effective, and non-addictive device-based technologies and approaches to treat pain. The goal of the program is to demonstrate treatment using credible neural targets for device-based interventions and/or diagnostics for pain, building upon the latest mechanistic knowledge about the anatomy and physiology of central, spinal, and peripheral pathways involved in pain.

ACTION:
Requested letters of intent are due 30 days prior to the application due date. Applications are due March 22, 2019, June 20, 2019, October 22, 2019, February 21, 2020, June 22, 2020, October 21, 2020, and February 22, 2021. Approximately $3 million is available to support 5 to 10 awards.

FUNDING OPPORTUNITY:
NIDCR Mentoring Network to Support a Diverse Dental, Oral and Craniofacial Research Workforce (UE5 Clinical Trials Not Allowed)

FON: RFA-DE-19-007

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute of Dental and Craniofacial Research (NIDCR)

ITEM:
Notice seeking applications to support educational activities that enhance the diversity of the biomedical, behavioral and clinical research workforce. The major goal of this UE5 program is to establish a mentoring network that will facilitate a diverse pool of early career investigators, including those from groups identified as underrepresented (see NOT-OD-18-210), to advance their research careers and/or transition to the next career stage and to develop a high quality independently funded research program.

ACTION:
Optional letters of intent are due April 30, 2019. Applications are due May 30, 2019. Approximately $300,000 is available to support one award.

Limited Submission:
Only one application per institution is allowed

FUNDING OPPORTUNITY:
Occupational Safety and Health Surveillance Collaboration, Education and Translation

FON: RFA-OH-19-002

AGENCY:
Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS)

ITEM:
Notice seeking proposals to advance education and translation through the operation of an open-access online repository for occupational health information and surveillance data. States, Non-governmental organizations, and tribes will draw upon relationships with their stakeholders to use surveillance data to take action such as identify or support tribal and state priorities, and guide coordinated, targeted efforts to protect workers; monitor statistical and other trends and progress over time (i.e., burden and impact); propose pilot and evaluation activities for addressing disease burden or impact; conduct educational and outreach activities; and to develop prevention and intervention recommendations.

ACTION:
Applications are due January 31, 2019 by 5:00 p.m. ET. Multiple awards are anticipated, with a per-award ceiling of $225,000.
