FUNDING OPPORTUNITY:
Behavioral Science Track Award for Rapid Transition (B-Start)(R03 Clinical Trial Optional)

FON:
PAR-19-310
AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute on Drug Abuse (NIDA)

ITEM:
Notice seeking applications to apply innovative affective, cognitive and behavioral hypotheses, models, and methods in preclinical and clinical research to answer questions relevant to substance use disorders (SUD). The B/START R03 is intended for recently-independent investigators with expertise in behavioral science as well as established investigators who are using behavioral science approaches to SUD for the first time.

ACTION:
Applications are due February 16, June 16, and October 16, annually through January 8, 2022. The budget and number of awards is contingent upon NIH appropriations to support projects lasting up to one year.
