Notices from July 12, 2018 to July 13, 2018

This publication synopsizes funding opportunities, rules and regulations, comment requests, and meetings information from Grants.gov, Federal Register, and Federal Business Opportunities for colleges and universities that are eligible to be lead applicants or serve as partners.

TABLE OF CONTENTS

- **ARTS / HUMANITIES / INTERNATIONAL**
  Funding Opportunities
  - Cervical Cancer Screening
  - Fellowship Programs at Independent Research Institutions
  - Internet Freedom Core Support for Anti-Censorship Technology
  - Internet Freedom: Advancing and Promoting Anti-Censorship Transport Libraries
  - Mapping and Analysis of Illegally Harvested Timber and Forest Products in Global Trade
  - Regional Environment, Science, Technology, and Health (ESTH) Grants for Pacific Island State

- **EDUCATION / ECONOMIC AND COMMUNITY DEVELOPMENT**
  Funding Opportunities
  - BLM-AZ Strengthening Partnerships to Restore the Upper Gila River Watershed
  - FY 2018 and FY 2019 Source Reduction Assistance Grant Program
  - FY2018 Master Wildland Urban Interface Community Assistance
  - Gulf of Mexico Program Farmer to Farmer Cooperative Agreements - 2018
  - Personnel Development To Improve Services and Results for Children With Disabilities--Associate Degree Preservice Program Improvement Grants To Support Personnel Working With Young Children With Disabilities CFDA Number 84.325N
  - Technical Assistance and Dissemination To Improve Services and Results for Children With Disabilities: Model Demonstration Projects To Improve Academic Outcomes of Students With Intellectual Disabilities in Elementary and Middle School
  - Wildland Urban Interface Community Fire Assistance

Meetings
- Millennium Challenge Corporation Advisory Council Notice of Open Meeting

- **HEALTH**
  Funding Opportunities
  - ASPR Funding For Healthcare and Public Health (HPH) Sector Information Sharing and Analysis Organization (ISAO)
  - Best Practices for the Use of Text and Chat-Based Technology in Child Maltreatment Reporting, Detection, and Prevention
  - DoD Peer Reviewed Cancer, Horizon Award
  - Infant-Toddler Court Program
  - Regional Partnership Grants to Increase the Well-Being of, and to Improve the Permanency Outcomes for, Children Affected by Substance Abuse
  - Time-Sensitive Obesity Policy and Program Evaluation (R01 Clinical Trial Not Allowed)
Meetings
- Advisory Committee on Heritable Disorders in Newborns and Children
- Healthcare Infection Control Practices Advisory Committee (HICPAC)
- National Center for Advancing Translational Sciences; Notice of Meetings

• SCIENCE / TECHNOLOGY / ENGINEERING / MATH
Funding Opportunities
- BLM-AZ Bald Eagles Conservation
- Countering Ballistic Missile and Related Technology Proliferation
- Genetic Association Project for Kuenzler’s Hedgehog Cactus

Notices
- BAA for Regenerative and Reformer Fuel Cell Energy Storage
- Call for Nominations to the National Geospatial Advisory Committee

ARTS / HUMANITIES / INTERNATIONAL

FUNDING OPPORTUNITY:
Cervical Cancer Screening

FON:
72061318RFA00003

AGENCY:
United States Agency for International Development (USAID), Zimbabwe USAID-Harare

ITEM:
Notice seeking applications to support efforts to increase the availability and accessibility of high quality cervical cancer screening services for HIV infected women in Zimbabwe. Objectives include: Improved quality of cervical cancer services; Strengthened cervical cancer outreach; and Improved patient tracking system.

ACTION:
Applications are due August 11, 2018. Approximately $1.1 million is available to support one award.

LINKS:

CONTACT:
Leona Sasinkova, Email: lsasinkova@usaid.gov

FUNDING OPPORTUNITY:
Fellowship Programs at Independent Research Institutions

FON:
20180822-RA

AGENCY:
National Endowment for the Humanities (NEH), Division of Research Programs

ITEM:
Notice supporting fellowships at institutions devoted to advanced study and research in the humanities in order to provide scholars with research time, a stimulating intellectual environment, and access to resources that might otherwise not be available to them. Applications are accepted only from independent research institutions that have preexisting fellowship programs.
ACTION:
Applications are due August 22, 2018. Approximately $5000 per award month is available to support multiple awards.

LINKS:

CONTACT:
Division of Research Programs, 202-606-8200. Email: fpiri@neh.gov (mailto:fpiri@neh.gov)

FUNDING OPPORTUNITY:
Internet Freedom Core Support for Anti-Censorship Technology

FON:
SFOP0005254

AGENCY:
Department of State (State) , Bureau of Democracy Human Rights and Labor (DRL)

ITEM:
Notice seeking applications to support longterm, core support for proven anti-censorship technologies. Technologies should have: Proven track record of successfully circumventing online censorship in highly Internet restricted environments, and of responding rapidly and effectively to censorship events; Capacity to support hundreds of thousands of simultaneous user sessions on an ongoing basis for the period of the grant; Significant existing global user-base; Independently verifiable user metrics, including unique monthly users per country; Open-sourced components wherever viable; Use of modular community-developed transport libraries, and a record of contributing improvements back to those libraries; A comprehensive external security audit; Client support for major desktop and mobile platforms; A design and deployment model that meets the unique needs of civil society and marginalized populations ; Versions and/or language support for most or all countries that employ censorship apparatus such as a “firewall”; and A demonstrated focus and attentiveness to usability for a diverse global user base.

ACTION:
Applications are due November 9, 2018 at 11:30 pm ET. Approximately $7 million is available to support up to two to three awards.

CONTACT:
Program staff, Email: InternetFreedom@state.gov (mailto:InternetFreedom@state.gov)

FUNDING OPPORTUNITY:
Internet Freedom: Advancing and Promoting Anti-Censorship Transport Libraries

FON:
SFOP0005257

AGENCY:
Department of State (State) , Bureau of Democracy Human Rights and Labor (DRL)
ITEM: Notice seeking application to support longterm development, core support, outreach, and implementation of censorship-defeating pluggable transports. Applications must advance the development of anti-censorship technologies, including the libraries of interchangeable transport-layer obfuscation protocols known as pluggable transports.

ACTION: Applications are due November 9, 2018 at 11:30 ET. Approximately $2 million is available to support one award.

CONTACT: Program staff, Email: InternetFreedom@state.gov (mailto:InternetFreedom@state.gov)

FUNDING OPPORTUNITY: Mapping and Analysis of Illegally Harvested Timber and Forest Products in Global Trade

FON: SFOP0005268

AGENCY: Department of State (State)

ITEM: Notice seeking applications to gather data and build capacity to identify, analyze, and map illegal timber and forest products trade in key regions for forest production and trade with developing countries and partners.

ACTION: Applications are due August 14, 2018. Approximately $492,500 is available for one award.

CONTACT: Luke Thompson, 202-647-0658. Email: ThompsonLD@state.gov (mailto:ThompsonLD@state.gov)

FUNDING OPPORTUNITY: Regional Environment, Science, Technology, and Health (ESTH) Grants for Pacific Island State

FON: 2018-SUVAREO-OES

AGENCY: Department of State (State), U.S. Mission to Fiji

ITEM: Notice supporting applications for small environmental awards to support local or regional small-scale environmental projects in eligible countries in the Pacific Islands region. Focus areas include: Food security: sustainable agriculture and/or fisheries; Sustainable economic development; Adaptation to changing environmental conditions, e.g., coastal management; Waste management, including land
Based on sources of marine pollution; Air quality; Reforestation; Reef and coral restoration; Watershed management; Maintaining biodiversity and healthy ecosystems; Creation and/or management of marine protected areas; Environment or health-related education (particularly for underserved groups); Capacity building for scientific research on environmental issues; and Deployment of new technology for application to environmental issues. Projects may propose activities targeted through this solicitation in the following countries: the Federated States of Micronesia; Fiji; Kiribati; Papua New Guinea; Republic of the Marshall Islands; Samoa; Solomon Islands; Tonga; Tuvalu; or Vanuatu.

**ACTION:**
Applications are due August 15, 2018. Approximately $75,000 is available to support three to seven awards.

### EDUCATION / ECONOMIC AND COMMUNITY DEVELOPMENT

**FUNDING OPPORTUNITY:**
BLM-AZ Strengthening Partnerships to Restore the Upper Gila River Watershed

**FON:**
L18AS00033

**AGENCY:**
Bureau of Land Management (BLM), Department of the Interior (Interior)

**ITEM:**
Notice seeking applications to improve watershed health (i.e., structure and function) within the Upper Gila River Watershed upstream of the San Carlos Apache Indian Reservation dam and New Mexico border.

**ACTION:**
Applications are due August 15, 2018. Approximately $400,000 is available for three awards to support projects lasting up to three years.

**LINKS:**

**CONTACT:**
Liza Love, 602-417-9200. Email: Elove@blm.gov (mailto:Elove@blm.gov)

---

**FUNDING OPPORTUNITY:**
FY 2018 and FY 2019 Source Reduction Assistance Grant Program

**FON:**
EPA-HQ-OPPT-2018-002

**AGENCY:**
Environmental Protection Agency (EPA)
ITEM:
Notice seeking applications for efforts to support source reduction approaches aimed at reducing or eliminating pollutants from entering any waste stream or otherwise released into the environment prior to recycling, treatment, or disposal. Funds support programs that measurably improve the environmental footprints of state agencies, federally-recognized tribes, intertribal consortia, businesses, municipal/local governments and/or local communities while also supporting efficiency to reduce resource use, expenditures, waste and liability costs. Focus areas include: Business-Based Pollution Prevention Solutions Supporting Toxic Substances Control Act Priorities and Chemical Safety; Food and Beverage Manufacturing and Processing; and Hazardous Materials Source Reduction Approaches in States or Communities. Regional focus areas may apply. A minimum five percent match is required.

ACTION:
Applications are due August 23, 2018. Approximately $2 million is available to support multiple awards.

LINKS:

CONTACT:
Contacts vary by region.

FUNDING OPPORTUNITY:
FY2018 Master Wildland Urban Interface Community Assistance

FON:
L18AS00023

AGENCY:
Bureau of Land Management (BLM), Department of the Interior (Interior)

ITEM:
Notice supporting applications for efforts to assist communities at risk from catastrophic wildland fires reduce the risk and impact of such fires. Funds support efforts to provide community programs that develop local capability including; assessment and planning, mitigation activities, community/homeowner education and action plans and implement hazardous fuels reduction activities, including the training, monitoring or maintenance associated with such hazardous fuels reduction activities, on federal land, or on adjacent nonfederal land for activities that mitigate the threat of catastrophic fire to communities and natural resources in high risk areas; and enhance local and small business employment opportunities.

ACTION:
Applications are due August 11, 2018. Approximately $2 million is available to support up to one award.

LINKS:

CONTACT:
Jessica Gallimore, 541/941-7077. Email: jgallimore@blm.gov (mailto:jgallimore@blm.gov)
FUNDING OPPORTUNITY:
Gulf of Mexico Program Farmer to Farmer Cooperative Agreements - 2018

FON:
EPA-GM-2018-FARMER

AGENCY:
Environmental Protection Agency (EPA)

ITEM:
Notice seeking applications to improve water quality, habitat and environmental education through the demonstration of improved crop or land management involving new, novel, or experimental technologies, methods, approaches or techniques that support farmer-led or farm focused organizations in the Gulf of Mexico watershed within the Continental United States. Projects must include: novel or innovative techniques, methods, or approaches; data collection for the applied technique, method or approach; and communication of the results to the landowner to inform future farming decisions and to better understand (or ground truth) how different management practices affect water quality and quantity, improved habitat as well as ancillary improvements of yields and farming costs.

ACTION:
Applications are due September 12, 2018. Approximately $4.3 million is available to support up to four awards.

LINKS:

CONTACT:
Jeanne Allen, Email: GMP-RFP@epa.gov (mailto:GMP-RFP@epa.gov)

FUNDING OPPORTUNITY:
Personnel Development To Improve Services and Results for Children With Disabilities--Associate Degree Preservice Program Improvement Grants To Support Personnel Working With Young Children With Disabilities CFDA Number 84.325N

FON:
ED-GRANTS-071318-002

AGENCY:
Department of Education (Education), Office of Special Education and Rehabilitative Services (OSERS)

ITEM:
Notice seeking applications to help address State-identified needs for personnel in special education, early intervention, related services, and regular education to work with children, including infants and toddlers, with disabilities. In addition, this FOA seeks to ensure personnel have the necessary skills and knowledge, derived from practices that have been determined through scientifically based research and experience, to be successful in serving those children.

ACTION:
Applications are due August 13, 2018. Approximately $1.2 million is available for eight awards to support projects lasting up to five years.
FUNDING OPPORTUNITY:
Technical Assistance and Dissemination To Improve Services and Results for Children With Disabilities: Model Demonstration Projects To Improve Academic Outcomes of Students With Intellectual Disabilities in Elementary and Middle School
FON: ED-GRANTS-071318-001
AGENCY: Department of Education (Education), Office of Special Education and Rehabilitative Services (OSERS)
ITEM: Notice seeking applications to promote academic achievement and to improve results for children with disabilities by providing technical assistance, supporting model demonstration projects, disseminating useful information, and implementing activities that are supported by scientifically based research.
ACTION: Applications are due August 13, 2018. Approximately $1.2 million is available for three awards to support projects lasting up to four years.
CONTACT: Kristen Rhoads, 202-245–6715. Email: Kristen.Rhoads@ed.gov (mailto:Kristen.Rhoads@ed.gov)

FUNDING OPPORTUNITY:
Wildland Urban Interface Community Fire Assistance
FON: L18AS00065
AGENCY: Bureau of Land Management (BLM), Department of the Interior (Interior)
ITEM: Notice supporting applications for efforts to partner with local communities to reduce the risk and impact of catastrophic wildfires. Objectives include: Accomplish Hazardous Fuels Reduction Activities; Develop and implement fire education, training, and/or community action plans/programs; Conduct Community Wildfire Protection Assessment and planning activities; Expand community capability to enhance local employment opportunities; and Develop and Implement short and long term Monitoring and Maintenance Plans.
ACTION:
Applications are due August 12, 2018. Approximately $400,000 is available to support one award.

LINKS:

CONTACT:
Vanessa Marquez, 775-861-6518. Email: vmarquez@blm.gov

MEETING:
Millennium Challenge Corporation Advisory Council Notice of Open Meeting

AGENCY:
Millennium Challenge Corporation (Millennium Challenge Corporation)

ITEM:
Notice announcing the Millennium Challenge Corporation Advisory Council (MCC) seeks new members representing a diverse group of private sector organizations with expertise in infrastructure, business and finance and technology, particularly in the countries and regions where MCC operates.

ACTION:
Nominations and supporting documents are due August 10, 2018. Send nomination information to Beth Roberts, Designated Federal Officer, MCC Advisory Council, 1099 14th St. NW, Suite 700, Washington, DC 20005.

LINKS:

CONTACT:
Beth Roberts, Email: MCCAdvisoryCouncil@mcc.gov

HEALTH

FUNDING OPPORTUNITY:
ASPR Funding For Healthcare and Public Health (HPH) Sector Information Sharing and Analysis Organization (ISAO)

FON:
EP-HIT-18-002

AGENCY:
Department of Health and Human Services (HHS), Assistant Secretary for Preparedness and Response (ASPR)

ITEM:
Notice seeking applications to build the capacity of Department of Health and Human Services as the Health Care and Public Health Sector-Specific Agency to coordinate with private sector during steady-state and emergency response, provide outreach and education to public health stakeholders on preparedness and risk mitigation activities, and enhance the ability of bi-directional information-sharing related to open and closed data streams.

ACTION:
Applications are due September 10, 2018. Approximately $450,000 is available annually for one award to support a project lasting up to five years.
FUNDING OPPORTUNITY:
Best Practices for the Use of Text and Chat-Based Technology in Child Maltreatment Reporting, Detection, and Prevention

FON:
HHS-2018-ACF-ACYF-CA-1383

AGENCY:
Administration for Children and Families (ACF), Department of Health and Human Services (HHS), Administration on Children, Youth and Families (ACYF)

ITEM:
Notice seeking applications to develop and expand text and chat-based capabilities for child maltreatment prevention, resource sharing, detection, and reporting designed to: (1) determine best practices and protocols pertaining to the use of text and chat-based technology within the child abuse and neglect reporting context; (2) identify evidence-based and/or evidence-informed strategies for appropriate communication, identity verification, and privacy protection for youth who may be victims of maltreatment; and (3) develop strategies for successfully sharing resources with youth who may be experiencing maltreatment.

ACTION:
Applications are due August 13, 2018. Approximately $1 million is available for one award to support a project lasting up to two years.

CONTACT:
Chereese Phillips, 888-203-6161. Email: CB@grantreview.org

FUNDING OPPORTUNITY:
DoD Peer Reviewed Cancer, Horizon Award

FON:
W81XWH-18-PRCRP-HA

AGENCY:
Army (Army), Department of Defense (Defense), Congressionally Directed Medical Research Programs (CDMRP)

ITEM:
Notice supporting application from junior-level scientists in conducting impactful research with the mentorship of an experienced cancer researcher. Topic areas include: Adrenal cancer; Melanoma and other skin cancers; Bladder cancer; Mesothelioma; Blood cancers; Myeloma; Brain cancer;
Neuroblastoma; Colorectal cancer; Pancreatic cancer; Immunotherapy; Pediatric brain tumors; Listeria-based regimens for cancer; Stomach cancer; Liver cancer; Cancer in children, adolescents, and young adults; and Lymphoma.

**ACTION:**
Required pre-applications are due August 28, 2018. Approximately $3.6 million is available to support up to 15 awards.

**LINKS:**

**CONTACT:**
CDMRP Help Desk, 301-682-5507. Email: help@eBRAP.org (mailto:help@eBRAP.org)

---

**FUNDING OPPORTUNITY:**
Infant-Toddler Court Program

**FON:**
HRSA-18-123

**AGENCY:**
Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS), Maternal and Child Health Bureau

**ITEM:**
Notice seeking applications to support implementation and quality improvement of infant-toddler court teams. Infant-toddler court teams provide case management and family support to infants and toddlers in the child welfare system and work to strengthen and align the child welfare, health, and early childhood and community systems to strengthen the health and well-being of infants and toddlers and their families. The recipient will identify and provide direct support to 10 to 15 implementation sites. Each implementation site will serve as the backbone organization in the community implementing the infant-toddler court model. The recipient will also disseminate resources, learnings, and training to others working to meet the needs of children and families at-risk for involvement or involved in the child welfare system. Lastly, the recipient will evaluate effectiveness and plan for ongoing improvement, sustainability, and spread of infant-toddler court teams.

**ACTION:**
Applications are due August 13, 2018. Approximately $3 million is available to support one award.

Dina Joy Lieser, 240-463-7726. Email: DLieser@hrsa.gov (mailto:DLieser@hrsa.gov)

---

**FUNDING OPPORTUNITY:**
Regional Partnership Grants to Increase the Well-Being of, and to Improve the Permanency Outcomes for, Children Affected by Substance Abuse

**FON:**
HHS-2018-ACF-ACYF-CU-1382
AGENCY:
Administration for Children and Families (ACF), Department of Health and Human Services (HHS), Administration on Children, Youth and Families - Children's Bureau

ITEM:
Notice seeking applications to support regional partnerships that provide interagency collaboration and integration of programs, activities and services that are designed to increase well-being, improve permanency, and enhance the safety of children who are in an out-of-home placement or are at risk of being placed in out-of-home care as a result of a parent's or caregiver's substance abuse. Grantees are expected to have a collaborative infrastructure in place that is capable of building the region's capacity to meet a broad range of needs for families involved with substance use disorder treatment, child welfare systems, court, and other service organizations.

ACTION:
Applications are due August 13, 2018. Approximately $19 million is available to support up to 10 awards. IHEs may partner. Cost sharing of 15-20 percent is required.

LINKS:

CONTACT:
Jean Blankenship, email: CB@grantreview.org

FUNDING OPPORTUNITY:
Time-Sensitive Obesity Policy and Program Evaluation (R01 Clinical Trial Not Allowed)

FON:
PAR-18-854

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:
Notice seeking applications to establish an accelerated review/award process to support time-sensitive research to evaluate a new policy or program that is likely to influence obesity related behaviors (e.g., dietary intake, physical activity, or sedentary behavior) and/or weight outcomes in an effort to prevent or reduce obesity. All applications must demonstrate that the evaluation of an obesity related policy and/or program offers an uncommon and scientifically compelling research opportunity that will only be available if the research is initiated with minimum delay. It is intended that eligible applications selected for funding will be awarded within 4 months of the application due date.

ACTION:
Applications are due September 13, 2018; October 10, 2018; November 13, 2018; December 11, 2018; January 10, 2019; February 11, 2019; March 11, 2019; April 11, 2019; May 10, 2019; June 10, 2019; July 11, 2019; August 9, 2019; September 12, 2019; October 11, 2019; November 13, 2019; December 10, 2019; January 10, 2020; February 10, 2020; March 10, 2020; April 7, 2020; May 11, 2020; June 10, 2020; July 10, 2020; August 11, 2020; September 10, 2020; October 14, 2020; November 10, 2020; December 11, 2020; January 11, 2021; February 10, 2021; March 10, 2021; April 9, 2021; May 10, 2021; June 11, 2021; July 9, 2021; August 10, 2021; and September 10, 2021. Multiple awards are anticipated.

Mary Evans, 301-594-4578. Email: evansmary@mail.nih.gov (mailto:evansmary@mail.nih.gov)

MEETING:
Advisory Committee on Heritable Disorders in Newborns and Children

AGENCY:
Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS)

ITEM:
Notice announcing a webinar meeting of the Advisory Committee on Heritable Disorders in Newborns and Children, which provides advice and recommendations to the Secretary of HHS on the development of newborn screening activities, technologies, policies, guidelines, and programs for effectively reducing morbidity and mortality in newborns and children having, or at risk for, heritable disorders. Agenda items include issues related to long-term follow-up, timeliness, education and training, the evidence-based review process, and risk assessment in newborn screening.

ACTION:
Required pre-registration is due 12:00 pm ET on July 30, 2018. The meeting will be held Thursday, August 2, 2018, from 9:30 am to 5:00 pm ET

LINKS:

Ann Ferrero, 301-443-3999. Email: AFerrero@hrsa.gov (mailto:AFerrero@hrsa.gov)

MEETING:
Healthcare Infection Control Practices Advisory Committee (HICPAC)

AGENCY:
Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS)

ITEM:
Notice announcing a telephone meeting of the Healthcare Infection Control Practices Advisory Committee, which is tasked with providing advice and guidance regarding (1) the practice of healthcare infection prevention and control; (2) strategies for surveillance, prevention, and control of infections, antimicrobial resistance, and related events in settings where healthcare is provided; and (3) periodic updating of CDC guidelines and other policy statements regarding prevention of healthcare-associated infections and healthcare-related conditions. Agenda items include discussions on updates from the guidelines for infection prevention in healthcare personnel workgroup and the guidelines for infection prevention in patients of neonatal intensive care units workgroup.

ACTION:
The meeting will be held on August 29, 2018, 3:00 pm to 5:00 pm, ET

LINKS:

CONTACT:
Erin Stone, 404-639-4045. Email: HICPAC@cdc.gov

MEETING:
National Center for Advancing Translational Sciences; Notice of Meetings

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:
Notice announcing a meeting of the National Center for Advancing Translational Sciences Advisory Council to hear a report from the Institute Director and other staff.

ACTION:
The meeting will be held September 27, 2018 from 8:30 am to 3:00 pm at the National Institutes of Health, Building 31, Conference Room 6, 31 Center Drive, Bethesda, MD

LINKS:

CONTACT:

SCIENCE / TECHNOLOGY / ENGINEERING / MATH

FUNDING OPPORTUNITY:
BLM-AZ Bald Eagles Conservation

FON:
L18AS00031

AGENCY:
Bureau of Land Management (BLM), Department of the Interior (Interior)

ITEM:
Notice seeking applications to further the conservation of bald eagles through public education so that eagles will continue to successfully breed and expand their population in Arizona.

ACTION:
Applications are due August 14, 2018. Approximately $45,000 is available for one award to support a project lasting up to three years.

LINKS:

CONTACT:
Liza Love, 602-417-9200. Email: Elove@blm.gov
FUNDING OPPORTUNITY:
Countering Ballistic Missile and Related Technology Proliferation

FON:
SFOP0005274

AGENCY:
Department of State (State), Bureau of International Security-Nonproliferation (ISN)

ITEM:
Notice seeking applications to develop open source research to identify entities involved in the proliferation of ballistic missile technology and emerging United Nations Security Council (UNSC) sanctions evasion techniques.

ACTION:
Applications are due August 14, 2018.

LINKS:

CONTACT:
Scott Bruce, 202-647-9735. Email: BruceST2@state.gov

FUNDING OPPORTUNITY:
Genetic Association Project for Kuenzler's Hedgehog Cactus

FON:
L18AS00066

AGENCY:
Bureau of Land Management (BLM), Department of the Interior (Interior)

ITEM:
Notice seeking applications to determine the genetic differences and similarities between Kuenzler's Hedgehog Cactus (all known element occurrences), Fendler's Hedgehog Cactus, and associated intermediates as well as the differences in population structure of the element occurrences of Kuenzler Hedgehog Cactus across the landscape in order to assist with land management decisions and potential de-listing of the species.

ACTION:
Applications are due August 13, 2018. Approximately $45,000 is available for one award to support projects lasting up to three years.

NOTICE:
BAA for Regenerative and Reformer Fuel Cell Energy Storage

FON:
692M15-18-R-00015

AGENCY:
U.S. Department of Transportation (DOT), Federal Aviation Administration (FAA)

ITEM:
Notice seeking white papers to study and develop Regenerative fuel cell and Reforming technology for safe, certifiable installations on aircraft. Focus areas include, but are not limited to: Primary propulsion for light propeller airplanes; Emergency Electrical Power Generation; Backup power; Use of aircraft fuel to generate reactants; On board water generation; and Efficient Combined use heat and electrical power.

ACTION:
White papers are due September 28, 2018.
