FUNDING OPPORTUNITY:
Community Center Manager Exchange – Expanding Connections

FON:
SBR25018CA0003

AGENCY:
Department of State (State), U.S. Mission to Brazil

ITEM:
Notice seeking applications to generate and expand connections between American and Brazilian institutions and individuals as well as to engage local audiences in understanding U.S. values by exposing Brazilian community center leaders to the wealth of programs, accumulated knowledge and experience in the way similar U.S. institutions are managed, and promoting the exchange of expertise and best practices in community engagement.

ACTION:
Questions are due August 15, 2018. Applications are due August 30, 2018. Approximately $70,000 is available for one award to support a project lasting up to one year.

LINKS:

CONTACT:
Grants Brazil Committee, Email: brazilgrants@state.gov (mailto:brazilgrants@state.gov)
FUNDING OPPORTUNITY:
Counter-Trafficking in Persons

FON:
72052118RFA00006

AGENCY:
United States Agency for International Development (USAID), Haiti USAID-Port Au Prince

ITEM:
Notice seeking applications to address the endemic issue of trafficking in Haiti while fostering a state-led and inter-agency system that protects people at risk of trafficking, meets the needs of victims and works towards creating a human rights environment that systematically precludes trafficking from happening.

ACTION:
Applications are due September 17, 2018. Approximately $5 million is available for one award to support a project lasting up to four years.

LINKS:

CONTACT:
Oscarina Pujols, Email: Haiti-ROAA-DRG@usaid.gov

FUNDING OPPORTUNITY:
Justice Sector Technical Assistance Program

FON:
INL18GR0041-AMELEBANON-JUSTSECTTRNG-0719

AGENCY:
Department of State (State), Bureau of International Narcotics-Law Enforcement

ITEM:
Notice seeking applications for efforts to support the Lebanese judicial system to develop the specialized skills and build the capacity necessary to prosecute and adjudicate complex criminal cases that involve the use of technical evidence and/or modern forensic techniques, especially as they relate to cases involving money laundering, cybercrime, and terrorism. Funds also support efforts to assist in implementing alternatives to incarceration that already exist and to develop legislation and processes for the use of plea bargaining to resolve cases before they go to trial. Cost sharing is not required but recommended.

ACTION:
Applications are due September 19, 2018. Approximately $1 million is available to support one award.

LINKS:

CONTACT:
Madeline Murphy Hall, Email: MurphyHallM@state.gov
FUNDING OPPORTUNITY:
Media Literacy Access Alumni Camp

FON:
SBR25018CA0005

AGENCY:
Department of State (State) , U.S. Mission to Brazil

ITEM:
Notice seeking applications to plan and organize an intensive residential camp experience that brings together approximately thirty talented 2018 Access graduates between the ages of 15 and 19 from different programs across Brazil.

ACTION:
Questions are due August 17, 2018. Applications are due August 30, 2018. Approximately $55,000 is available for one award to support a project lasting up to one year.

LINKS:

CONTACT:
Luciana Santos, Email: brazilgrants@state.gov (mailto:brazilgrants@state.gov)

FUNDING OPPORTUNITY:
Supporting Tunisia's Elections

FON:
SFOP0005295

AGENCY:
Department of State (State) , Bureau of Near Eastern Affairs (NEA)

ITEM:
Notice seeking applications in support of efforts to continue the professionalization of the Instance Superieure Independante Pour les Elections (Independent High Authority for Elections - ISIE), the Court of Accounts (in charge of the oversight of public financing including campaign finance), and other relevant institutions; ensure the transparency and accessibility of Tunisian elections; and, engage the public in democratic processes in Tunisia.

ACTION:
Applications are due August 21, 2018. Approximately $2 million is available to support one award.

LINKS:

CONTACT:
Katelyn Smith, Email: nea-grants@state.gov (mailto:nea-grants@state.gov)

MEETING:
Notice of Meeting: Board for International Food and Agricultural Development
AGENCY:
United States Agency for International Development (USAID)

ITEM:
Notice announcing a livecast public meeting of the Board for International Food and Agricultural Development. The board will discuss a new study that will conduct a meta-analysis of US benefits and capabilities that are leveraged from strategic investments in developing country agriculture and food security.

ACTION:
The meeting will be held from 9:00 a.m. to 12:00 p.m. ET on Wednesday, August 8, 2018, at the Madison A&B on the Mezzanine Level, Marriott Wardman Park Hotel, 2660 Woodley Rd. NW, Washington, DC.

CONTACT:
Clara Cohen, 202-712-0119.

EDUCATION / ECONOMIC AND COMMUNITY DEVELOPMENT

FUNDING OPPORTUNITY:
Building English teaching capacity in Brazil: Bilingual schools in the public school system

FON:
SBR25018CA0004

AGENCY:
Department of State (State), U.S. Mission to Brazil

ITEM:
Notice seeking applications to support a 4-week Exchange Program in the U.S., geared towards elementary and/or secondary level public school English teachers, followed by a 2-week online interactive course.

ACTION:
Questions are due August 20, 2018. Applications are due September 3, 2018. Approximately $450,000 is available for one award to support a project lasting up to one year.

LINKS:

CONTACT:
Luciana Santos, Email: brazilgrants@state.gov (mailto:brazilgrants@state.gov)

FUNDING OPPORTUNITY:
Notice of Funding Opportunity for Consolidated Rail Infrastructure and Safety Improvements

AGENCY:
U.S. Department of Transportation (DOT), Federal Railroad Administration (FRA)
ITEM:
Notice supporting applications to leverage private, state and local investments to support safety enhancements and general improvements to infrastructure for both intercity passenger and freight railroads. University transportation centers engaged in rail-related research may apply. A 20 percent cost share is required.

ACTION:
Applications are due September 17, 2018. Approximately $318 million is available to support multiple awards.

LINKS:

CONTACT:
Frances Bourne, 202-493-6366. Email: frances.bourne@dot.gov (mailto:frances.bourne@dot.gov)

FUNDING OPPORTUNITY:
Notice of Funds Availability (NOFA) for the Conservation Reserve Program (CRP) Forest Inventory Analysis Pilot

AGENCY:
United States Department of Agriculture (USDA), Commodity Credit Corporation

ITEM:
Notice supporting applications for efforts to conduct a forest inventory analysis, forest management, and economic outcomes modelling, for certain currently enrolled Conservation Reserve Program (CRP) land. The analysis is focused on lands enrolled in CRP for at least 8 years and located in areas with a substantial concentration of acres enrolled under the following conservation practices devoted to multiple bottomland hardwood tree species: General tree planting, hardwood tree planting, vegetative cover on previously established tree stands, riparian buffers, bottomland timber establishments, and farmable and aquaculture wetlands. Qualified applicants must be non-profit organizations dedicated to conservation, forestry, and wildlife habitats that have experience in conducting accurate forest inventory analysis through the use of advanced, cost-effective technology

ACTION:
Applications are due August 15, 2018. Approximately $1 million is available to support multiple awards.

LINKS:

CONTACT:
Richard Iovanna, 202-720-5291.

MEETING:
Pipeline Safety: Pipeline Research and Development Forum
AGENCY:
U.S. Department of Transportation (DOT), Pipeline and Hazardous Materials Safety Administration (PHMSA), Office of Pipeline Safety (OPS)

ITEM:
Notice announcing a public meeting for the Pipeline Research and Development Forum to generate a national research agenda that fosters solutions to the many challenges with pipeline safety and protecting the environment.

ACTION:
The public forum will be held on September 11-12, 2018 from 8:00 a.m. to 4:00 p.m. ET each day, at the Hyatt Regency Baltimore Inner Harbor Hotel, 300 Light Street, Baltimore, Maryland.

Robert Smith, 919-238-4759. Email: robert.w.smith@dot.gov

NOTICE:
Solicitation of Nomination for Appointment to the Advisory Committee on Women Veterans

AGENCY:
Department of Veterans Affairs (VA)

ITEM:
Notice seeking new members for the Advisory Committee on Women Veterans, which conducts an assessment of the needs of women Veterans with respect to compensation, health care, rehabilitation, outreach, and other benefits and programs administered by VA; and makes recommendations. Applicants must represent one of the following groups: representatives of women Veterans; individuals who are recognized authorities in fields pertinent to the needs of women Veterans, including the gender specific health-care needs of women; representatives of both female and male Veterans with service-connected disabilities, including at least one female Veteran with a service-connected disability and at least one male Veteran with a service-connected disability; and women Veterans who are recently separated from service in the Armed Forces.

ACTION:
Nominations are due August 15, 2018 by 4:00 p.m. ET

LINKS:

CONTACT:
Advisory Committee Management Office. Email: VA.Advisory.Cmte@va.gov

NOTICE:
Soliciting Feedback From Users on 2020 Census Data Products
AGENCY:
Census Bureau (CB)

ITEM:
Notice seeking comments from stakeholders to understand how the public uses decennial census data products including summary and detailed data tables, national and state demographic profiles, and topical briefs. The Census Bureau is not seeking feedback on apportionment counts and redistricting data products, which are constitutionally mandated.

ACTION:
A live question-and-answer webinar will be held on July 31, 2018 at 2:00 p.m. ET. Comments are due by September 17, 2018.

CONTACT:
Karen Battle, Email: POP.2020.DataProducts@census.gov (mailto:POP.2020.DataProducts@census.gov)

HEALTH

FUNDING OPPORTUNITY:
Alcohol and Other Drug Interactions: Unintentional Injuries and Overdoses: Epidemiology and Prevention (R01/R03/R21 - Clinical Trial Optional)

FON:
PA-18-863; PA-18-861; PA-18-862

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:
Notice supporting research grant applications that explore whether and how alcohol and other illicit drugs or illicitly used prescription drugs interact to contribute to unintentional injuries and poisonings and how to prevent and/or reduce simultaneous use of alcohol or drugs singly or in combination. Funds support large research grants (R01), small grants (R03), and exploratory/developmental grants (R21).

ACTION:
R01 applications are due annually on February 5, June 5, and October 5 until September 8, 2021. Multiple awards are anticipated.
R03 applications are due annually on February 16, June 16, and October 16 until January 8, 2022. Approximately $50,000 per award is available to support multiple awards. R21 applications are due annually on February 16, June 16, and October 16 until September 8, 2021. Approximately $275,000 per award is available to support multiple awards.

FUNDING OPPORTUNITY:
Immune Response to Arthropod Blood Feeding (R21 Clinical Trial Not Allowed)

FON:
PAR-18-860

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute of Allergy and Infectious Diseases (NIAID)

ITEM:
Notice seeking applications to support short-term exploratory, developmental, and transdisciplinary research to understand the immunologic events that occur during blood feeding by hematophagous arthropods. Funds support efforts to: understand the immunological events in the vertebrate host, which occur during and after blood feeding by hematophagous arthropods, at the bite site (skin) and systemically; identify and characterize the immune modulatory properties of arthropod salivary components; and understand the immunological events in the hematophagous arthropods following a blood meal.

ACTION:
Applications are due October 15, 2018, June 14, 2019, February 14, 2020, and October 15, 2020. Approximately $275,000 per award is available to support multiple awards.

Kentner Singleton, 240-669-5499. Email: singletonkl@niaid.nih.gov

FUNDING OPPORTUNITY:
Mentored Career Development Award to Promote Faculty Diversity in Biomedical Research (K01 Independent Clinical Trial Not Allowed)

FON:
RFA-HL-19-026

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Heart, Lung, and Blood Institute (NHLBI)

ITEM:
Notice seeking applications to support efforts for faculty members to undertake special study and supervised research under a mentor who is an accomplished investigator in the research area proposed and has experience in developing independent investigators. Funds support faculty whose basic, clinical, and translational research interests are grounded in the advanced methods and experimental approaches needed to solve problems related to cardiovascular, pulmonary, and hematologic diseases and sleep disorders in the general and health disparities populations.

ACTION:
Non-AIDS applications are due October 10, 2018, February 11, 2019, October 10, 2019, February 11, 2020, October 9, 2020, and February 11, 2021. AIDS Applications are due January 8, 2019, May 6, 2019,
January 8, 2020, May 6, 2020, January 8, 2021, and May 6, 2021. Approximately $24.3 million is available to support up to 10 awards.

Jane Scott, 301-435-0535. Email: scottj2@nhlbi.nih.gov

FUNDING OPPORTUNITY:
Mentored Career Development Award to Promote Faculty Diversity in Biomedical Research (K01 Independent Clinical Trial Required)

FON:
RFA-HL-19-025

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Heart, Lung, and Blood Institute (NHLBI)

ITEM:
Notice seeking applications to support efforts to undertake special study and supervised research under a mentor who is an accomplished investigator in the research area proposed and has experience in developing independent investigators. Projects are targeted towards individuals whose basic, clinical, and translational research interests are grounded in the advanced methods and experimental approaches needed to solve problems related to cardiovascular, pulmonary, and hematologic diseases and sleep disorders in the general and health disparities populations.

ACTION:
Applications are due October 10, 2018, February 11, 2019, October 10, 2019, February 11, 2020, October 9, 2020, and February 11, 2021. Approximately $24.3 million is available to support up to 10 awards.

LINKS:

CONTACT:
Jane Scott, 301-435-0535. Email: scottj2@nhlbi.nih.gov

FUNDING OPPORTUNITY:
NEI Vision Research Epidemiology Grant (UG1 Clinical Trial Not Allowed)

FON:
PAR-18-864

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Eye Institute (NEI)
ITEM:
Notice seeking applications to advance epidemiologic studies that utilize creative and innovative approaches to studying vision diseases and disorders with high public impact and whose findings will inform prevention and treatment strategies as well as basic sciences research.

ACTION:
Applications are due annually on January 25, May 25, and September 25 until September 8, 2021. Multiple awards are anticipated.

LINKS:

CONTACT:
Email: bhargavas@mail.nih.gov

FUNDING OPPORTUNITY:
Pilot Projects Investigating Understudied G Protein-Coupled Receptors, Ion Channels, and Protein Kinases (R03 Clinical Trial Not Allowed)

FON:
RFA-RM-18-021

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS)

ITEM:
Notice seeking pilot project applications to explore IDG-eligible understudied proteins (non-olfactory GPCRs, protein kinases, and ion channels) in order to study them beyond what the IDG’s Centers can accomplish, and to validate and demonstrate the utility of IDG reagents, data, and approaches.

ACTION:
Applications are due October 26, 2018. Approximately $1 million is available for up to seven awards to support projects lasting up to one year.

LINKS:

Christine Colvis, 301-451-3903.
Email: DruggableGenome@mail.nih.gov

FUNDING OPPORTUNITY:
Pre-Application: Research Innovation for Scientific Knowledge (RISK) for Musculoskeletal Diseases (X02 Clinical Trial Not Allowed)

FON:
PAR-18-865; RFA-AR-19-013
AGENCY:  
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute of Arthritis and Musculoskeletal and Skin Diseases (NIAMS)

ITEM:  
Notice seeking applications to explore the mechanisms of diseases or conditions relevant to the NIAMS mission, as well as disease-focused translational studies aimed to develop or test diagnostics, therapeutic agents, or preventive interventions up to, but not including, first in human studies, deemed too risky, premature, controversial, or unconventional for other NIH mechanisms. The RISK program will support the two main scientific areas of NIAMS mission, 1) musculoskeletal diseases and 2) the skin and rheumatic diseases.

ACTION:  
The X02 pre-application is the highly recommended (not required) first step in the application process for the companion R61/R33 (RFA-AR-19-013). Potential applicants should read both FOAs. Letters of intent are due September 4, 2018 and June 3, 2019. Annual applications are due October 4, 2018 and July 3, 2019 through July 4, 2019. Approximately $2 million is available in FY 19 and $2 million in FY 20 for up to six awards for up to five years.

MEETING:  
Center for Substance Abuse Prevention National Advisory Council; Meeting

AGENCY:  
Substance Abuse and Mental Health Services Administration (SAMHSA), Department of Health and Human Services (HHS)

ITEM:  
Notice announcing a meeting of the Substance Abuse and Mental Health Services Administration's Center for Substance Abuse Prevention National Advisory Council. Agenda items include the discussion of the substance use prevention workforce and opioid use prevention.

ACTION:  
The meeting will be held August 1, 2018, from 9:30 a.m. to 5:00 p.m. ET at 5600 Fishers Lane, Room 5N54, Rockville, MD.

LINKS:

MEETING:
Meeting of the Substance Abuse and Mental Health Services Administration's (SAMHSA) National Advisory Council (SAMHSA NAC)

AGENCY:
Substance Abuse and Mental Health Services Administration (SAMHSA), Department of Health and Human Services (HHS)

ITEM:
Notice announcing a meeting of the Substance Abuse and Mental Health Services Administration's National Advisory Council to discuss the provision of treatments and related services to substance abuse prevention, mental health promotion, and legal rights protections for individuals living with mental illness and substance abuse challenges.

ACTION:
The meeting will be held on August 2, 2018, 9:00 a.m. to 4:00 p.m. ET at 5600 Fishers Lane, Room 5N54, Rockville, MD. Teleconference option available. Register at: http://nac.samhsa.gov/Registration/meetingsRegistration.aspx

MEETING:
National Advisory Committee on Microbiological Criteria for Foods

AGENCY:
United States Department of Agriculture (USDA)

ITEM:
Notice announcing a meeting of the National Advisory Committee on Microbiological Criteria for Foods to discuss: (1) Effective Salmonella Control Strategies for Poultry and (2) Virulence Factors and Attributes that Define Foodborne Shiga Toxin-producing Escherichia coli as Severe Human Pathogens.

ACTION:
The full committee meeting will be held August 7, 2018 from 10:00 a.m. to 12:00 p.m. ET at the Patriot's Plaza 3, 1st Floor Auditorium and Conference Rooms, 355 E Street SW, Washington, DC. Subcommittees on the Use of Water in Animal Slaughter and Processing, and Appropriate Product Testing Procedures and Criteria to Verify Process Control for Microbial Pathogens will be held on August 7-10, 2018 from 8:30 a.m. to 5:00 p.m. ET at the same location.

SCIENCE / TECHNOLOGY / ENGINEERING / MATH

FUNDING OPPORTUNITY:
Broad Agency Announcement: Naval Application of Machine Learning/Artificial Intelligence

FON:
N00014-18-S-B006

AGENCY:
Navy (Navy), Department of Defense (Defense), Office of Naval Research (ONR)

ITEM:
Notice supporting white papers for efforts that enable improvements to expeditionary command and control and intelligence capabilities that are applicable to Naval environments. Funds support basic, applied, and advanced development research.

ACTION:
Required white papers are due August 3, 2018. Approximately $8 million is available to support ten to twenty awards at various stages of development.

LINKS:

FUNDING OPPORTUNITY:
Machine Learning for Geothermal Energy

FON:
DE-FOA-0001956

AGENCY:
Department of Energy (Energy), Golden Field Office

ITEM:
Notice supporting applications for efforts to develop new analytical tools for finding and developing geothermal resources and establish the practice of machine learning in geothermal operations. Focus areas include: Machine Learning for Geothermal Exploration; and Advanced Analytics for Efficiency and Automation in Geothermal Operations.

ACTION:
Required concept papers are due August 23, 2018 by 5:00 p.m. ET. Approximately $3.6 million is available to support five to seven awards. A 20 percent cost share is required.

Limited Submission:
Applicants may only submit up to two Concept Papers and one Full Application for each topic area of this FOA

FUNDING OPPORTUNITY:
Resilient Anonymous Communication for Everyone (RACE)

FON:
HR001118S0052

AGENCY:
Defense Advanced Research Projects Agency (DARPA), Department of Defense (Defense), Information Innovation Office

ITEM:
Notice seeking applications to research the area of cryptographic and communication obfuscation techniques in order to build an anonymous, attack-resilient mobile communication system that can reside completely within a network environment.

ACTION:
Abstracts are due August 14, 2018. Proposals are due September 18, 2018. Approximately $44 million is available for multiple awards to support projects lasting up to five years. DARPA anticipates multiple awards for Technical Areas 1 and 2, and a single award each for Technical Areas 3 and 3.1.

FUNDING OPPORTUNITY:
ROSBio Appendix A: Orion Exploration Mission-1 Research Pathfinder for Beyond Low Earth Orbit Space Biology Investigations

FON:
NNH18ZTT001N-EM1

AGENCY:
National Aeronautics and Space Administration (NASA)

ITEM:
Notice seeking applications for hypothesis-driven space biology investigations designed to study how life responds to the space environment beyond low Earth orbit to include themes of space biology.

ACTION:
Required Step I proposals are due August 17, 2018. Step II proposals are due September 24, 2018. Approximately $400,000 is available for up to eight awards.

LINKS:

CONTACT:
MEETING:
National Environmental Justice Advisory Council; Notification of Public Meeting, Public Teleconference and Public Comment

AGENCY:
Environmental Protection Agency (EPA)

ITEM:
Notice announcing the National Environmental Justice Advisory Council will meet to discuss several topics including, but not limited to, environmental justice concerns of communities in Boston, MA and surrounding areas; discussion and deliberation of the final report from the NEJAC Environmental Justice and Water Infrastructure Finance and Capacity Work Group; and the proactive efforts of EPA Region 1 to advance environmental justice.

ACTION:
The teleconference will be held on August 15-16, 2018 from 9:00 a.m. to 5:00 p.m. ET. Pre-register is required before August 6, 2018: https://nejac-public-teleconference-option-august-2018.eventbrite.com

NOTICE:
Notice Requesting Nominations for the Advisory Committee on Commercial Remote Sensing (ACCRES)

AGENCY:
National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (Commerce)

ITEM:
Notice seeking highly qualified individuals who are knowledgeable about the commercial space-based remote sensing industry and uses of space-based remote sensing data to serve on the Advisory Committee on Commercial Remote Sensing. Nominees must represent stakeholders in remote sensing, space commerce, space policy, or a related field and be able to attend committee meetings that are held usually two times per year.

ACTION:
Nominations are due August 18, 2018.
