NOTICE:
Notification of Nonenforcement of Health and Human Services Grants Regulation

FON:
2019-24384

AGENCY:
Department of Health and Human Services (HHS)

ITEM:
Notice announcing that the regulatory rulemaking announced in the Federal Register on December 12, 2016, regarding HHS's grant regulations, raises significant concerns about compliance with the Regulatory Flexibility Act. The provisions will not be enforced pending a repromulgation that complies with the Act. The initial rulemaking document was intended to bring HHS grantmaking in accord with the U.S. Office of Management and Budget's Uniform Administrative Requirements, and can be found at this link https://www.federalregister.gov/documents/2016/12/12/2016-29752/health-and-human-services-grants-regulation

FLEXIBLE CARBON CAPTURE & STORAGE (FLECCS) - SBIR-STTR

FON:
DE-FOA-0002221

AGENCY:
Department of Energy (Energy), Advanced Research Projects Agency Energy

ITEM:
Notice seeking applications for the development of carbon capture and storage (CCS) technologies that enable power generators to be responsive to grid conditions in a high variable renewable energy (VRE) penetration environment. This includes retrofits to existing power generators as well as greenfield systems with a carbon-containing fuel input and electricity as an output (i.e., a “black box” in which the nature of the fuel-to-electricity conversion process is not prescribed).

ACTION:
Concept papers are due December 23, 2019. Applicants are strongly encouraged to submit their applications at least 48 hours in advance of the submission deadline. Approximately $43 million is available for 25 awards.
