FUNDING OPPORTUNITY:
Ethiopia Nationwide Surveys and Focus Groups

FON:
SFOP0006000

AGENCY:
Department of State (State), Bureau of Conflict Stabilization Operations (CSO)

ITEM:
Notice seeking proposals for public opinion research addressing inter-communal conflict and other drivers of political instability in Ethiopia. The goal of this project is to produce high-quality survey data that speaks specifically to the CSO priority of addressing political instability in Ethiopia, an important regional security and economic partner of the United States.

ACTION:
Proposals are due August 5, 2019. Approximately $691,250 is available to support one award for 12 months.

Limited Submission:
One per applicant organization

FUNDING OPPORTUNITY:
Humanities Connections

FON:
20190919-AKA

AGENCY:
National Endowment for the Humanities (NEH), Division of Education Programs
ITEM:
Notice seeking applications to expand the role of the humanities in undergraduate education at two- and four-year institutions. Awards will support innovative curricular approaches that foster productive partnerships among humanities faculty and their counterparts in the social and natural sciences and in pre-service or professional programs (such as business, engineering, health sciences, law, computer science, and other technology-driven fields), in order to encourage and develop new integrative learning opportunities for students.

ACTION:
Optional draft applications are due August 19, 2019. Applications are due September 19, 2019. Planning grants award amounts are up to $35,000. Implementation award amounts are up to $100,000.

FUNDING OPPORTUNITY:
New Youth Activity

FON:
72049219RFA00010

AGENCY:
United States Agency for International Development (USAID), Philippines USAID-Manila

ITEM:
Notice seeking proposals to strengthen institutions at the national level and in selected regions in the Philippines that will result in improved education, employment, and livelihood outcomes for youth, particularly marginalized youth who are out-of-school.

ACTION:
Applications are due August 19, 2019. Approximately $37.5 million is available to support one award over a five-year period. Cost share equivalent to at least 5% of the total federal share of the award is required.

Limited Submission:
The prime applicant may submit only one application.

EDUCATION / ECONOMIC AND COMMUNITY DEVELOPMENT

FUNDING OPPORTUNITY: National Sheriffs Institute

FON: 20JD01

AGENCY: Department of Justice (Justice), National Institute of Corrections (NIC)

ITEM: Notice seeking applications for a national leadership program designed specifically for first-term sheriffs. It introduces first-term sheriffs to their leadership role, specifically as it relates to the sheriff's role in his/her organization, local criminal justice system, and community. All leadership concepts are taught within the context of the experience of the first-term sheriff.

ACTION: Applications are due September 24, 2019. Approximately $150,000 is available to support one award for a 12 month period.

CONTACT: Mike Jackson, Email: mpjackson@bop.gov

FUNDING OPPORTUNITY: Re-Employment Support and Training for the Opioid Related Epidemic, RESTORE Grant Program

FON: FOA-WB-19-02
AGENCY:
Department of Labor (Labor), Employment and Training Administration (ETA)

ITEM:
Notice seeking applications to address the employment needs of women affected by the opioid crisis and combat its impact in some of the hardest hit areas of the country. Applicants will establish and/or build on cooperative relationships among service providers and key stakeholders in order to train and employ women workers who have been adversely affected by the opioid crisis.

ACTION:
Applications are due August 23, 2019. Approximately $2.3 million is available to support four to eight awards of between $250,000 and $500,000. Nonprofits organizations are eligible.

Limited Submission:
One application per organization

HEALTH
FUNDING OPPORTUNITY:
(Re)Building a Kidney (UC2 Clinical Trial Not Allowed)

FON:
RFA-DK-19-007

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK)

ITEM:
Notice seeking applications to improve or restore failing kidney function after injury or disease. This FOA invites teams of investigators with complementary expertise to develop and test novel ways to either (1) stimulate productive kidney repair/regeneration in vivo, or (2) generate functional kidney tissue ex vivo for transplantation.

ACTION:
Optional letters of intent are due October 7, 2019. Applications are due November 7, 2019. Approximately $3.6 million is available to support four awards.

FUNDING OPPORTUNITY:
Center of Excellence for Natural Product Drug interaction Research (U54, Clinical Trial Required)

FON:
RFA-AT-20-002
AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Center for Complementary and Integrative Health (NCCIH)

ITEM:
Notice seeking applications for a Center of Excellence for Natural Product Drug Interaction Research to provide leadership in the study of natural product drug interactions. The ultimate goals of this program are to clearly establish the clinical relevance of pharmacokinetic interactions from a select number of natural products, and provide guidance and leadership to the broader research community on how best to research metabolism mediated drug interactions involving complex natural products.

ACTION:
Optional letters of intent are due 30 days before the application. Applications are due November 22, 2019. Approximately $2.25 million is available to fund one award.

FUNDING OPPORTUNITY:
DoD Complex Traumatic Brain Injury Rehabilitation Research - Clinical Research Award

FON:
W81XWH-19-CTR-CRA

AGENCY:
Army (Army), Department of Defense (Defense), U.S. Army Medical Research Acquisition Activity (USAMRAA)

ITEM:
Notice seeking applications to address TBI-related impairments and deficits, including multi-modal and cognitive dysfunction, to (1) develop and validate rehabilitation outcome measures; (2) systematically analyze standard of care cognitive interventions to identify optimal treatment ingredients; and (3) improve clinician-driven assessment strategies to guide Return-to-Duty (RTD) decision-making.

ACTION:
Required pre-applications are due September 10, 2019. Applications are due December 2, 2019. Approximately $6 million is available to support three awards.

FUNDING OPPORTUNITY: Microbiome and Aging: Impact on Health and Disease (R01 Clinical Trial Not Allowed)
FON:  
RFA-AG-20-030

AGENCY:  
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute on Aging (NIA)

ITEM:  
Notice seeking applications focused on defining the factors that influence microbiome composition and functional characteristics during aging, understanding how the aging microbiome relates to the causes and pathophysiology of age-related chronic diseases, and development and testing of targeted interventions through diet, drugs, or live organisms.

ACTION:  
Optional letters of intent are due September 30, 2019. Applications are due October 30, 2019. Approximately $2.5 million is available to fund five to seven awards.

Preclinical Screening for Natural Product Drug Interactions (Clinical Trial Not Allowed, R21)

FON:
RFA-AT-20-001

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Center for Complementary and Integrative Health (NCCIH)

ITEM:
Notice seeking applications that seek to identify natural products with the potential to inhibit or induce Phase I and Phase II drug metabolizing enzymes and drug transporters, thereby possibly contributing to pharmacokinetic interactions with other medications. These in vitro studies may include screening libraries of complex extracts and/or purified natural products in suitable medium to high throughput assays to identify potential interactions. They may also include isolation and identification of novel, or not commercially available, natural products within complex mixtures that exhibit pharmacokinetic interactions.

ACTION:
Optional letters of intent are due October 1, 2019. Applications are due November 1, 2019. Approximately $1.5 million is available to fund five to six awards.

MEETING:
FOcal arrays for Curved Infrared Imagers (FOCII) Proposer's Day

FON:
DARPA-SN-19-68

AGENCY:
Defense Advanced Research Projects Agency (DARPA), Department of Defense (Defense), Microsystems Technology Office
ITEM:
Notice announcing a proposers day for the FOcal arrays for Curved Infrared Imagers (FOCII) program. The objective of the FOCII program is to develop and demonstrate technologies for curving existing state of the art large format, high performance infrared (IR) focal plane arrays (FPAs) to a small radius of curvature (ROC) to maximize performance, as well as curve smaller format FPAs to an extreme ROC to enable the smallest form factors possible while maintaining exquisite performance.

ACTION:
The meeting will be held August 13, 2019 at the Executive Conference Center, 4075 Wilson Blvd Suite 300, Arlington, VA 22203 from 9 a.m. to 4 p.m. Registrations are due by August 9, 2019 at https://cvent.me/zgrz2
