**FUNDING OPPORTUNITY:**

NEA Research Grants in the Arts, FY2020

**FON:**
2020NEA01ORA

**AGENCY:**
National Endowment for the Arts (NEA) , Office of Research and Analysis (ORA)

**ITEM:**
Notice seeking proposals for research that investigates the value and/or impact of the arts, either as individual components of the U.S. arts ecology or as they interact with each other and/or with other domains of American life. Projects examining the value and impact of art, and projects testing the causal or inferred-causal impact of the arts are both funded through separate mechanisms.

**ACTION:**
Applications are due October 3, 2019. Multiple awards are anticipated in both mechanisms. Matching funds are required.

AGENCY:
United States Agency for International Development (USAID)

ITEM:
Notice seeking proposals to assist communities, the government of Uganda, and the private sector to conserve and manage biodiversity in target ecosystems for lasting environmental and economic sustainability and increased community and household resilience.

ACTION:
Proposals are due September 5, 2019. Approximately $15 million is available to fund one award over a five year period. Cost share of at least three percent is required.

EDUCATION / ECONOMIC AND COMMUNITY DEVELOPMENT

FUNDING OPPORTUNITY:
BJA FY 19 An Academic-based Training Initiative to Improve Police Responses for People with Mental Illness and Intellectual and Developmental Disabilities

FON:
BJA-2019-16850

AGENCY:
Department of Justice (Justice), Bureau of Justice Assistance (BJA)

ITEM:
Notice seeking applications that focuses on developing academic-based, transdisciplinary crisis intervention training to educate, train, and prepare law enforcement officers so that they are equipped to appropriately interact with people who have MI and IDD in the course of completing their job responsibilities.

ACTION:
Applications are due October 4, 2019. Approximately $2.25 million is available to support one award.

FON:
ED-GRANTS-080719-001

AGENCY:
Department of Education (Education), Office of Special Education and Rehabilitative Services (OSERS)
ITEM:
Notice seeking applications to develop knowledge, disseminate strategies and products, and provide TA for local educational agencies (LEAs), charter management organizations (CMOs), private school associations, and schools to develop and implement high-quality special education programs that enable children with disabilities to make progress toward meeting challenging objectives in light of each child's circumstances.

ACTION:
Applications are due September 6, 2019. Approximately $2 million is available to support one award for up to 60 months.

MEETING:
National Wildlife Services Advisory Committee

AGENCY:
Fish and Wildlife Service (FWS), Department of the Interior (Interior)

ITEM:
Notice announcing a meeting of the National Wildlife Services Advisory Committee to discuss operational and research activities conducted by the Wildlife Services Program. The committee will discuss pertinent operational and research activities and programs and how to increase their effectiveness, as well as ensuring the Wildlife Service remains an active participant in the goal of agricultural protection.

ACTION:
The meeting will be held September 18 and 19, 2019 from 8:00 a.m. to 5:00 p.m. at 1400 Independence Avenue SW, Washington, DC.

Advancing State and Urban Maternal and Child Health (MCH)

FON:
HRSA-20-044

AGENCY:
Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS) , Maternal and Child Health Bureau
ITEM:
Notice seeking applications to strengthen state and urban MCH programs’ capacity to deliver quality public health and health care services to improve MCH outcomes, with an emphasis on innovation, collaboration, impact, and effectiveness.

ACTION:
Applications are due November 15, 2019. Approximately $2.32 million is available to support two awards.

FUNDING OPPORTUNITY:
Clinical Coordinating Center for Multi-Site Investigator-Initiated Clinical Trials (Collaborative UG3-UH3 Clinical Trial Required)

FON:
PAR-19-329

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Heart, Lung, and Blood Institute (NHLBI)

ITEM:
Notice seeking applications to present the scientific rationale for the clinical trial and a comprehensive scientific and operational plan that describes it. The application should address project management, subject recruitment and retention, performance milestones, scientific conduct of the trial, and dissemination of results.

ACTION:
Optional letters of intent are due 30 days prior to the application due date. Applications are due October 11, 2019, February 11, 2020, June 10, 2020, October 14, 2020, February 11, 2021, June 10, 2021, October 14, 2021, February 11, 2022, and June 10, 2022. Applications must be submitted for the same due date as the collaborating DCC application.

FUNDING OPPORTUNITY:
Data Coordinating Center for Multi-Site Investigator-Initiated Clinical Trials (Collaborative U24 Clinical Trial Required)

FON:
PAR-19-330
AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Heart, Lung, and Blood Institute (NHLBI)

ITEM:
Notice seeking applications to present a comprehensive plan to provide overall project coordination, administration, data management, and biostatistical support for the clinical trial proposed in the collaborating Clinical Coordinating Center (CCC) application. Both a DCC application and a collaborating CCC application must be submitted on the same application due date for consideration.

FUNDING OPPORTUNITY:
Family Leadership in Language and Learning Center

FON:
HRSA-20-051

AGENCY:
Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS)

ITEM:
Notice seeking applications to create a Family Leadership in Language and Learning (FL3) Center to support children and infants who are deaf or hard of hearing and their families. The purpose of the FL3 Center is to provide technical support to national, state and territory, and local Early Hearing Detection and Intervention (EHDI) systems of care in order to increase family engagement and leadership, and to strengthen family support for families, parents, and caregivers with newborns, infants, and young children up to 3 years of age who are deaf or hard-of-hearing (DHH).

ACTION:
Applications are due November 8, 2019. Approximately $450,000 is available to fund one award.

FON:
PAR-19-328

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Heart, Lung, and Blood Institute (NHLBI)

ITEM:
Notice seeking applications to utilize a bi-phasic, milestone-driven mechanism of award. The objective of the application is to present the scientific rationale for the clinical trial and a comprehensive scientific and operational plan that describes it.

FUNDING OPPORTUNITY:
Technologies to Advance Precision Medicine Diagnosis and Treatment of Infertility, Reproductive Tract and Gynecologic Disorders Affecting Fertility (R43 and R44 Clinical Trial Optional)

FON:
RFA-HD-20-010

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute of Child Health and Human Development (NICHD)

ITEM:
Notice seeking applications to collaborate with scientists and clinicians in the fields of female and male reproductive health, infertility, andrology, and/or gynecology to adapt discoveries in omics technologies such as genomics, epigenomics and metabolomics, as well as identification of disease biomarkers to the development of new devices, assays, digital apps, or technologies to improve the specificity of diagnosis and clinical care of infertility and to advance the application of precision medicine to reproductive health.

ACTION:
Optional letters of intent are due 30 days prior to the application due date. Applications are due December 3, 2019. Approximately $2 million is available to support three to four awards.

FUNDING OPPORTUNITY:
The Biological Mechanisms of Metformin Effects on Aging and Longevity (R01 Clinical Trial Not Allowed)

FON:
RFA-AG-20-044

AGENCY:
National Institutes of Health (NIH), Department of Health and Human Services (HHS), National Institute on Aging (NIA)

ITEM:
Notice seeking applications to support applications that will lead to an in-depth understanding of the molecular mechanisms that determine the effects of metformin, either beneficial or detrimental, in relation to aging and longevity. Research supported by this FOA should lead to new insights on and better understanding of metformin's effects on aging and aging-related diseases.

ACTION:
Optional letters of intent are due December 21, 2019. Applications are due January 21, 2020. Approximately $2 million is available to support four to six awards.

FUNDING OPPORTUNITY:
FY 2020 Ocean Technology Transition Project

FON:
NOAA-NOS-IOOS-2020-2006167

AGENCY:
National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (Commerce)

ITEM:
Notice seeking proposals to reduce the Research to Operations transition period for ocean observing, product development, and data management technologies for the ocean, coastal and Great Lakes.

ACTION:
Requested letters of intent are due October 18, 2019. Proposals are due January 13, 2020. Approximately $7.5 million is available in FY 2020 - 2022.

FUNDING OPPORTUNITY:
Long-Term Ecological Research

FON:
19-594

AGENCY:
Directorate for Biological Sciences (BIO), Directorate for Social, Behavioral & Economic Sciences (SBE), National Science Foundation (NSF)

ITEM:
Notice seeking proposals that contributes to the development and testing of fundamental ecological theories and significantly advances understanding of the long-term dynamics of populations, communities and ecosystems.

ACTION:
Required preliminary proposals are due December 4, 2019. Proposals are due June 15, 2020. Approximately $7.13 million is available to support one award.

FUNDING OPPORTUNITY:
Minerva Research Initiative
FON:
WHS-AD-FOA-DECUR-19

AGENCY:
Department of Defense (Defense)

ITEM:
Notice seeking proposals for the Minerva Research Initiative's (Minerva) Defense Education and Civilian University Research (DECUR) Partnership (https://minerva.defense.gov). The DECUR Partnership aims to develop collaborative basic research partnerships between Professional Military Education (PME) Institutions and Civilian Research Universities by supporting fundamental scientific research that improves the capacity of security-related basic social science research and education. Building upon the success of Minerva’s university research awards, the DECUR.

ACTION:
White papers are due September 12, 2019. Proposals are due November 18, 2019. Approximately $2 million is available five to six awards.

FUNDING OPPORTUNITY:

FON:
HR0011950075-16

AGENCY:
Defense Advanced Research Projects Agency (DARPA), Department of Defense (Defense), Defense Sciences Office (DSO)

ITEM:
Notice seeking proposals to develop and validate ideas: 1) for detecting and identifying cognitive dissonance – or when a person or community holds two beliefs that are in conflict, and specifically when a belief is in conflict an action, and 2) for predicting when confronted with the conflict, what action the conflicted will take to resolve the tension (e.g., change beliefs, change actions, add rationalizing thoughts, trivialize the inconsistency, etc.).

ACTION:
Abstracts are due September 23, 2019. Proposals are due November 4, 2019.

FUNDING OPPORTUNITY:
Polyplexus Pilot Topic Opportunity Notice for Hardware Trojan Identification (Topic 14)

FON:
HR001119S0075-14

AGENCY:
Defense Advanced Research Projects Agency (DARPA), Department of Defense (Defense), Defense Sciences Office (DSO)

ITEM:
Notice seeking proposals for computational or information system hardware trojan identification. A new type of cybersecurity mechanism can be inspired by biology, mimicking the human immune system. When an SoC (System on Chip) is at risk of being attacked, this facility should identify and eliminate the threat. It's essentially an attempt to investigate immune system strategies for SoCs. The topic will be refined as the incubator conversation evolves.

ACTION:
Abstracts are due September 9, 2019. Proposals are due October 21, 2019. Approximately five awards of up to $20,000 each and up to six months duration as a result of this process.

FUNDING OPPORTUNITY:
Polyplexus Pilot Topic Opportunity Notice for Quantum Bio-Computing (Topic 15)

FON:
HR001119S0075-15

AGENCY:
Defense Advanced Research Projects Agency (DARPA), Department of Defense (Defense), Defense Sciences Office (DSO)

ITEM:
Notice seeking proposals for quantum bio-computing. The purpose of this special notice is to explore whether some biological phenomena manifest and exploit quantum entanglement. If there is a distributed or non-local role for entanglement in, for example, robust fault tolerant information transfer in DNA replication, a deeper understanding could impact not only our appreciation of biology and medicine, but also could advance quantum computing and neural interfaces to computers using molecular electronics.

ACTION:
Abstracts are due September 16, 2019. Proposals are due October 29, 2019. At least one award of up to $100,000 per year.
FUNDING OPPORTUNITY:
Polyplexus Pilot Topic Opportunity Notice for Rethink Physics Modeling (Topic 13)

FON:
HR001119S0075-13

AGENCY:
Defense Advanced Research Projects Agency (DARPA), Department of Defense (Defense), Defense Sciences Office (DSO)

ITEM:
Notice seeking proposals to generate multi-physics models and simulators directly from a description of the phenomena. The topic will be refined as the incubator conversation evolves.

ACTION:
Abstracts are due by August 30, 2019. Proposals are due October 14, 2019.

FUNDING OPPORTUNITY:
University Student Research Challenge

FON:
NNH19ZEA001N-USRC

AGENCY:
National Aeronautics and Space Administration (NASA)

ITEM:
Notice seeking proposals for aeronautics ideas and concepts from university students to receive grants in concert with crowd funding as an exercise in entrepreneurship.

ACTION:
Proposals will be accepted at any time, but evaluated for funding on October 30, 2019; February 26, 2020; and June 24, 2020. Multiple awards are anticipated. The crowd funding component of the program is considered cost-sharing.

MEETING:
Board on Coastal Engineering Research

AGENCY:
Army (Army), Department of Defense (Defense)

ITEM:
Notice announcing a meeting of the Board on Coastal Engineering Research. The purpose of the meeting is to identify Corps coastal research priorities related to present and future Regional Sediment Management challenges and opportunities within the context of large-scale regional studies on the Great Lakes and Nation-wide.

ACTION:
The meeting will be held from 8:00 a.m. to 12:00 p.m. on August 13, 2019 and reconvene from 8:00 a.m. to 5:00 p.m. on August 14, 2019 at the Crowne Plaza Detroit Downtown Hotel Windsor Ballroom, 2 Washington Blvd., Detroit, MI. The Executive Session of the Board will convene from 8:00 a.m. to 12:00 p.m. on August 15, 2019.

U.S. Integrated Ocean Observing System (IOOS®) Advisory Committee

AGENCY:
National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (Commerce)

ITEM:
Notice announcing a meeting of the U.S. Integrated Ocean Observing System Advisory Committee to discuss the following agenda: Administration, operation, management, and maintenance of the System; Expansion and periodic modernization and upgrade of technology components of the System; Identification of end-user communities, their needs for information provided by the System, and the System's effectiveness in dissemination information to end-user communities and to the general public; and Any other purpose identified by the Under Secretary of Commerce for Oceans and Atmosphere or the Interagency Ocean Observation Committee.

ACTION:
The meeting will be held virtually on August 21, 2019 from 11:00 a.m. to 3:00 p.m. ET.
NOTICE:
Agency Information Collection Activities; State Water Resources Research Institute Program Annual Application, National Competitive Grants, and Reporting

AGENCY:
Department of the Interior (Interior)

ITEM:
Notice seeking comments an annual announcement to solicit applications for the noncompetitive State Water Resources Research Program annual grants. The research projects are generally selected in a competitive statewide solicitation, peer review, and selection process designed and conducted by each institute. National competitive grants (104g) will focus on water problems and issues of a regional or interstate nature beyond those of concern only to a single State and which relate to specific program priorities identified jointly by the Secretary (of the Interior) and the institutes.

ACTION:
Comments are due by October 4, 2019 by mail to U.S. Geological Survey, Information Collections Officer, 12201 Sunrise Valley Drive, MS 159, Reston, VA 20192; or by email to gs-info_collections@usgs.gov. Please reference OMB Control Number 1028-0097 in the subject line of your comments.
