**FUNDING OPPORTUNITY:**

Building Forensic Accounting Capacity in Bosnia and Herzegovina

FON:
INL18GR0055-BOSNIA-FORENSIC-06062018

AGENCY:
Bureau of International Narcotics and Law Enforcement Affairs (INL), Department of State (State)

ITEM:
Notice seeking applications to develop a sustainable forensic accounting certification process that teaches qualified, practicing accountants -- especially accountants working in government and law enforcement -- using existing international standards and best practices and certifies them as forensic accountants.

ACTION:
Applications are due August 6, 2018. Questions are due July 5, 2018. Approximately $600,000 is available to support one award.

FUNDING OPPORTUNITY:
Enhancing Public Accountability and Trust in Tunisia

FON:
SFOP0005045

AGENCY:
Department of State (State), Bureau of Near Eastern Affairs (NEA)

ITEM:
Notice seeking applications that will strengthen democratic institutions and processes in Tunisia by increasing trust between political parties and citizens.

ACTION:
Applications are due June 14, 2018. Approximately $2 million is available to support one award. Cost sharing is encouraged.

Limited Submission:
One application per organization

FUNDING OPPORTUNITY:
FTA: Small Grants – Public Participation in Environmental Protection

FON:
SFOP0005150

AGENCY:
Department of State (State), Bureau of Oceans and International Environmental and Scientific Affairs (OES)

ITEM:
Notice seeking applications to strive to increase environmental protection through civil society engagement and public participation to support informed environmental decision-making and enforcement in U.S. Free Trade Agreement (FTA) partners: Chile, Colombia, Peru, Morocco, and Jordan.

ACTION:
Applications are due July 18, 2018. Approximately $500,000 is available to support one award or two awards for up to $250,000 each.

FUNDING OPPORTUNITY:
Summer Stipends

FON:
20180926-FT

AGENCY:
National Endowment for the Humanities (NEH), Division of Research Programs

ITEM:
Notice seeking applications to support individuals pursuing advanced research that is of value to humanities scholars, general audiences, or both. Eligible projects usually result in articles, monographs, books, digital materials and publications, archaeological site reports, translations, or editions. Projects must incorporate analysis and not result solely in the collection of data. Summer Stipends are awarded to individual scholars.

ACTION:
Applications are due September 26, 2018. Summer Stipends provide $6,000 for two consecutive months of research and writing.

FUNDING OPPORTUNITY:
A Program on International Transboundary Water Cooperation

FON:
SFOP0005064

AGENCY:
Department of State (State)

ITEM:
Notice seeking proposals for a cooperative agreement to build cooperation on shared waters leveraging U.S. financial support, promote coordination between development partners on transboundary waters, and ensure the sustainability of the programs beyond the period of U.S. support. The program on international transboundary water cooperation will improve cooperation over shared waters in regions where water is, or may become, a source of conflict. The program's goal is to build political will and advance cooperative processes on shared waters where the lack of political commitment/engagement is an impediment to cooperative action.

ACTION:
Proposals are due June 29, 2018. Approximately $496,000 is available to fund one cooperative agreement.
